**The motion to approve the items passed by a vote of 6 ayes with 1 absence (Campbell).**

Regarding Consent Agenda item #2, Councilmember Henson shared that he ran for city council on the platform of decreasing development density. He spoke about variations in how 'low density' is defined, showing some photographs of residential homes on various sized lots. He indicated that the definition of 'low density' currently in the city's Comprehensive Plan is associated with the photograph he showed up on the big screen. He expressed the belief that it is not representative of what is truly 'low density,' and he'd like for this to be kept in mind when reviewing the city's Comprehensive Plan. Mayor McCallum agreed, indicating this is a large reason he personally has championed revisiting the city's existing Comp

Plan. The mayor went on to move to approve Consent Agenda item #2 (Z2025-023). Councilmember Thomas encouraged the applicant to be sure he goes through the proper process with his HOA, and he then seconded the motion. The ordinance caption was read as follows:

The motion to approve passed by a vote of 6 ayes with 1 absence (Campbell).

Regarding Consent Agenda item #8, Mayor Pro Tem Moeller shared that Assistant City Manager Joey Boyd, Director of Administrative Services, David Sweet, and he recently met with the RHS school principal, Mr. Steinberger to discuss several topics of concern pertaining to this potential parking ban along Kyle Drive. He went on to generally express the belief that the concerns have been adequately addressed and to stress this is not being done to penalize anyone, but – rather –to enhance safety. Mayor Pro Tem Moeller went on to make a motion to approve the ordinance prohibiting parking along Kyle Drive when school is in session. Councilmember Henson seconded the motion, and the ordinance caption was read as follows:

The motion passed by a vote of 6 ayes with 1 absence (Campbell).

Mayor McCallum went on to share photographs he recently took along Lofland Road, which has asphalt that has been repaired within the last year. He shares that the sides of the roadway, although they were repaired, remain in poor driving condition. So drivers are still driving in the middle of the roadway because they do not want to drive on the broken areas out to the sides of the roadway.

Ms. Williams, the city's Public Works Director spoke, sharing that the work done on this particular roadway was micro surfaced, which is sort of like a temporary Band-Aid that is only meant to last a couple of years. The best way to address these concerns is to either (1) remove and replace (like what will be done on Kaufman and Rusk), or (2) concrete it. Mayor McCallum went on to make a motion to approve Consent Agenda item #10. Mayor Pro Tem Moeller seconded the motion, which passed by a vote of 6 ayes with 1 absence (Campbell).

At the request of Mayor McCallum, Public Works Director, Amy Williams, provided a detailed briefing to Council on the "Roadway Projects Update" that was included in the informational meeting packet. Mayor McCallum informed the public that anyone who is interested in reviewing this roadway update in detail may go to the city's website, pull up this evening's meeting packet, and read the report.

Mrs. Smith shared that this past Friday's July 4<sup>th</sup> festivities were great, despite the rain all day long. The Parks & Rec. staff did a phenomenal job, as always.

Mayor McCallum asked Mr. Sales, Parks Director, for an update on the new Icy Hot Shaq basketball court that will open one week from today in the Southside neighborhood. Mr. Sales indicated that staff is trying to finish up painting; however, rain has interrupted these efforts. They will get this finished soon, though. Also, staff is assembling items that Icy Hot has sent in advance for the event.

Following the close of the public meeting agenda, at 6:45 p.m. Mayor McCallum indicated that Council will reconvene in Executive Session to further address the following:

3. Discussion regarding (re)appointments to city regulatory boards and commissions, pursuant to §551.074 (Personnel Matters)

He then recessed the meeting, calling for a brief break before going back into Executive Session (at 6:48 p.m.

Council came out of Executive Session, and the mayor reconvened the public meeting at 7:28 p.m.

Mayor McCallum made a motion to appoint the following to serve on the city’s Comprehensive Plan Advisory Committee (CPAC):

- Dale Cherry
- Jim White
- Grant English
- Leslie Wilson
- Johnny Lyons
- John Hohenshelt
- Bob Wacker
- Greg Hollon (alternate member) and
- Kevin Fowler (alternate member)

Councilmember Lewis seconded the motion, which passed by a vote of 6 ayes with 1 absence (Campbell).

Mayor McCallum moved to appoint Doug Roth to replace John Womble on the city’s Planning & Zoning Commission (with a term to run from Aug. 1, 2025 through Aug. of 2028). It was noted Mr. Womble is ‘terming out’ on the P&Z Commission. Councilmember Henson seconded the motion, which passed by a vote of 6 ayes with 1 absence (Campbell).

Mayor McCallum adjourned the meeting at 7:30 p.m.

## MEMORANDUM

---

**TO:** Mayor and Council Members  
**FROM:** David Sweet, Director of Administrative Services  
**DATE:** July 18, 2025  
**SUBJECT:** Ordinance Reducing Number of ART Commission Members

---

Council is asked to consider modifying the composition of the Commission to reduce the number of members from seven down to five. The city attorney has drafted the attached ordinance, which makes this modification.

It should be noted that two vacant seats currently exist on the ART Commission, so reducing the number of members from 7 down to 5 will not pose any complications with existing board members who are currently serving.

## CITY OF ROCKWALL, TEXAS MEMORANDUM

---

**TO:** Mary Smith, City Manager

**FROM:** Travis E. Sales, Director Parks, Recreation and Animal Services

**DATE:** July 21, 2025

**SUBJECT:** Grounds Maintenance Services Contract Termination and Award

---

The current small landscape maintenance services contract provides for mowing, weed eating, trimming and debris removal at City facilities, parks, street medians, ROW and thoroughfares. Maintenance includes but is not limited to all trees, shrubs, ground cover, beds, turf, mulch and application of some herbicides and insecticides. These contracts provide for an annual extension at end of the initial contract period for up to three consecutive years should the scope of work and contracted bid conditions remain the same; and both parties agree to the extension.

Staff has determined that it is in the best interest of the City to renew these contracts, but 2025 required a re-bid as all renewals have been utilized and was awarded to Yellowstone Landscape.

### Small Contract

The small service contract was awarded to Yellowstone Landscape in March 2025 at \$145,700.02. We have had quality and completion problems since the day they started and have been trying to work through them. Yellowstone notified the City of Rockwall with a 30-day written termination agreement per the contract due to underbidding the contract and losing money.

Yellowstone Landscape: \$145,700.02 (terminated contract effective August 1, 2025)

Green World Care: \$159,741.30 (disqualified)

SRH Landscape: \$161,540.00 (2<sup>nd</sup> Best value) (cannot honor their bid)

**SLM Landscaping: \$161,060.00 (3<sup>rd</sup> Best value)**

Chief Landscaping: \$242,670.00

Bids were advertised per purchasing procedures and bids were opened on Wednesday, March 13, 2025 at 2:00pm. The best value bid was submitted by Yellowstone in the amount of \$145,700.02. Best value scoring matrix was utilized that averages all scoring sheets from the three panel members that scored the bids under the supervision of Misty Farris.

Now that Yellowstone Landscape has terminated the contract effective August 1, 2025, the second overall best value bid was SRH Landscape which was the contractor during 2021-2024 cannot honor the bid provided at this time. SLM Landscaping is an excellent contractor and will

require minimal training saving funds due to already holding the large mowing contract for the City of Rockwall. The overage in the new contract amount will be absorbed by reducing mowing cycles due to weather in summer, extra funds for new sites and extended mowing season during the budget year that were calculated during the 2024-2025 budget process to cover unexpected expenses.

Staff asks City Council to consider authorizing the City Manager to execute this contract with SLM Landscape Landscaping for a period of one-year with three one-year renewal options for the new 2025-2026 projected cost.

## MEMORANDUM

---

**TO: Mary Smith, City Manager**

**FROM: Amy Williams, Director of Public Works/City Engineer**

**DATE: July 21, 2025**

**SUBJECT: Engineering Contract for the Eastside Ground Storage Reservoir (GSR) #3**

---

The Eastside Pump Station site is located on the southeast corner of IH-30 and TL Townsend Drive. Currently, the site includes two existing ground storage reservoirs (GSRs). GSR #1 has a capacity of 1 million gallons (MG) and GSR #2 has a capacity of 3 MG.

North Texas Municipal Water District (NTMWD) has begun construction on an additional water line to provide additional water to the City of Rockwall. This construction is projected to be completed by the summer of 2026. An additional GSR is required by NTMWD and Texas Commission of Environmental Quality (TCEQ) to receive and distribute this additional water. For adequate water storage and distribution for the City of Rockwall and its customers, an additional GSR is required to provide storage at Eastside Pump Station site.

The additional GSR will also ensure the City's water distribution system has adequate reserves to continue normal distribution system operations during an interruption of the water supply from NTMWD, accommodate for the variations in water demand throughout the day, and provide redundancy to allow one of the other GSRs to be taken out of service for maintenance or rehabilitation.

Staff requests the City Council consider authorizing the City Manager to execute a contract with Birkhoff, Hendricks & Carter, L.L.P. for engineering services for the *Eastside Ground Storage Reservoir #3* in the amount of \$433,290.00 to be paid from the *Water Fund*.

STATE OF TEXAS

COUNTY OF ROCKWALL

Engineer shall comply with applicable federal, state, and local laws in connection with any work performed hereunder.

Engineer will seek written CITY approval to accept any contract or perform any services for any person, entity, or business working on this project. CITY may waive this potential conflict, but such waiver is at CITY's sole discretion and its decision shall be final.

5. Ownership of Documents

As part of the total compensation which CITY has agreed to pay Engineer for the professional services to be rendered under this Contract, Engineer agrees that hard copies of all finished and unfinished documents, data, studies, surveys, drawings, specifications, field notes, maps, models, photographs, preliminary reports, reports, bid packet/construction contract documents/advertisement for bids incorporating any CITY standard provisions provided by Engineer, will remain the property of the CITY. Engineer will furnish CITY with paper and electronic copies, to the extent they are available, of all of the foregoing to facilitate coordination, however, ownership of the underlying work product shall remain the intellectual property of the Engineer. Engineer shall have the right to use such work products for Engineer's purposes. However, such documents are not intended to be suitable for reuse by CITY or others on extension of the Project or on any other project. Any reuse without the express written consent of the Engineer will be at reuser's sole risk and without liability or legal exposure to the Engineer, and CITY to the extent allowed by law, shall hold harmless the Engineer from all claims, damages, losses, expenses, and costs, including attorneys' fees arising out of or resulting from the reuse of said documents without the Engineer's consent. The granting of such consent will entitle the Engineer to further compensation at rates to be agreed upon by CITY and the Engineer. The above notwithstanding, Engineer shall retain all rights in its standard drawing details, designs, specifications, databases, computer software and any other proprietary and intellectual property information provided pursuant to this Contract, whether or not such proprietary information was modified during the course of providing the services.

## Scope of Services

### Eastside Ground Storage Reservoir No. 3

#### PROJECT DESCRIPTION:

The City of Rockwall (City) desires to engage the services of Birkhoff, Hendricks and Carter, LLP (Consultant) to provide engineering services for the proposed Eastside Ground Storage Reservoir (GSR) No. 3. The City’s Eastside Pump Station site currently includes two existing GSR’s. GSR No. 1 has a capacity of 1 million gallons (MG), and GSR No. 2 has a capacity of 3 MG. The proposed Eastside GSR No. 3 is envisioned to provide adequate storage capacity for the Eastside Pump Station through fully developed land use conditions. As such, the scope includes a preliminary engineering analysis to assess the feasibility, and potential benefits and drawbacks associated with constructing a 2.5-MG tank versus a larger 5.0-MG tank. A final determination on the proposed GSR capacity will be made during the preliminary engineering phase. A project location map is provided below.

Location Map – Eastside GSR No. 3

**PROJECT DESCRIPTION (CONTINUED):**

Preparation of plans and specifications for an AWWA D110, Type III, Prestressed Concrete Ground Storage Reservoir (size to be determined) with a 28.5-foot side water depth (i.e., head range) to match the existing GSR’s on the site, and will be based on the following items:

(a) Specifications based on the following standards:

- ▷ American Water Works Association (AWWA)
- ▷ American Nation Standards Institute (ANSI)
- ▷ American Society of Testing Materials (ASTM)
- ▷ National Sanitation Foundation (NSF)
- ▷ American Concrete Institute (ACI)

(b) Tank Accessories to include the following:

- ▷ Pipe Connections
- ▷ Over Flow & Drain Piping
- ▷ Electrical System
- ▷ Tank Ladders w/Ladder Gate
- ▷ Butterfly Valves

- 1.4. Conduct a conceptual analysis to evaluate the feasibility and estimated cost for construction of two size options. The tank sizes anticipated to be considered are 2.5-MG and 5-MG. The general layout for each tank size is expected to be based on the following parameters:
  - Proposed 2.5-MG GSR: Tank to be positioned within the available footprint between the existing GSR No. 1, and the Eastside 700 Service Area Pump Station.
  - Proposed 5-MG GSR: Requires removal of Existing GSR No. 1 to expand the available footprint on the site as necessary to allow for placement of the larger tank size.

The conceptual analysis will include the following for the two tank sizes:

**TO:** Mayor and City Council  
**DATE:** July 21, 2025  
**APPLICANT:** Caroline Harklay, Dyron Durham, Sheli Hudson, and Mike Crawford  
**SUBJECT:** Z2025-030; *Amendment to Planned Development District 50 (PD-50)*

---

On June 13, 2025, the applicants -- *Caroline Harklay, Dyron Durham, Sheli Hudson, and Mike Crawford* -- submitted a request to amend Planned Development District 50 (PD-50) to incorporate a 2.57-acre tract of land into the existing 22.19-acre district. The subject property is located within the S. S. McCurry Survey, Abstract No. 146, and the B. F. Boydston Survey, Abstract No. 14, and is addressed as 924, 975, 923, and 925 N. Alamo Road. The 2.57-acre tract is currently zoned Single-Family 7 (SF-7) and Single-Family 10 (SF-10) Districts, and lies within the North Goliad Corridor Overlay (NGC OV) District. The applicants intend to allow the existing single-family homes on the tract to transition to Residential Office (RO) District land uses in accordance with the requirements of Planned Development District 50 (PD-50) in the future.

According to the *Future Land Use Plan* contained in the OURHometown Vision 2040 Comprehensive Plan, the subject property lies within both the Downtown and North Lakeshore Districts. The *Future Land Use Map* designates this area as Medium Density Residential (MDR). The Downtown District is described as "...the cultural heart of the community and embodies the small-town atmosphere that is characteristic of the City of Rockwall..." and it highlights Planned Development District (PD-50) as "...a unique Live/Work corridor that supports small boutiques (*with a SUP*) and offices." The North Lakeshore District is characterized as a stable, developed area with medium density suburban housing, where major development changes are not anticipated.

The requested amendment would necessitate a change to the *Future Land Use Map*, reclassifying the properties from Medium Density Residential (MDR) to Live/Work (LW). The Live/Work (LW) designation is defined as a transitional area intended to maintain a small-town aesthetic and buffer residential neighborhoods from major roadways or more intense commercial uses. Although the proposal conflicts with the current *Future Land Use Map* designation, it may warrant consideration due to the adjacent Live/Work (LW) designation directly east of the property and the precedent set by the establishment of Planned Development District (PD-50); however, it is important for staff to note that Planned Development District 50 (PD-50) does not currently extend to properties that have structures that face directly onto Alamo Street and Alamo Street is currently considered a residential street. With this being said, the base zoning district for Planned Development District (PD-50) is Residential-Office (RO) District, which is the City's most restrictive non-residential classification. This zoning district limits the land uses to predominantly low-impact offices. Planned Development District (PD-50) does include some provisions for limited retail, restaurant, and banquet facilities, but only allows these land uses on a case-by-case basis through a Specific Use Permits (SUPs). In addition, Planned Development District 50 (PD-50) also has allowances for residential land uses and live/work arrangements (*i.e. where a property owner can both live and work in a single-family home*). Based on this, if the City Council chooses to approve this zoning change the actual permitted uses -- *while being less restrictive than the Single-Family 7 (SF-7) District* -- would remain limited and controlled compared to other non-residential zoning districts.

In accordance with Subsection 02.03(A), *Notice of Public Hearing*, of Article 11, *Development Application and Review Procedures*, of the Unified Development Code (UDC), staff mailed notifications to property owners and occupants within 500-feet of both the existing Planned Development District (PD-50) boundary and the proposed 2.57-acre addition. Additionally, all property owners and residents within the current Planned Development District (PD-50) boundary and all Homeowners' Associations (HOAs) within 1,500 feet (*i.e., Lakeview Summit, the Preserve, and Caruth Lakes HOAs*) were notified. Of the 406 notices mailed on June 18, 2025, staff has received one (1) notice in opposition of the applicant's request.

With all that being said, this request is a discretionary zoning decision for the City Council pending a recommendation from the Planning and Zoning Commission. On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Zoning Change by a vote of 7-0. The City Council retains full authority to approve or deny the amendment based on conformance with broader policy goals of the City's plans, neighborhood compatibility, and community feedback. The City

Council is tasked with evaluating whether the proposed change furthers the public interest and supports the vision set forth in the Comprehensive Plan. If the request is approved, the City Council will effectively be amending the Future Land Use Map for these properties in the 2.57-acre subject property from a Medium Density Residential designation to a Live/Work designation. Should the City Council have any questions, staff will be available at the July 21, 2025 City Council meeting.

The *Technology/Employment Centers* land use category is characterized by employment-oriented businesses, which are generally situated in larger centers (e.g. *Rockwall Technology Park*) with access to key transportation networks. These uses should utilize large setbacks, campus style green spaces and large berms/buffers to shrink the scale of the buildings and provide park-like amenities that are complementary to the City's other land use districts. Generally, these areas should not be directly adjacent to Low or Medium Density Residential land use designations and should be buffered from low-density single-family subdivisions utilizing transitional land uses.

### DESIGNATION CHARACTERISTICS

- 1 Primary Land Uses: Clean Manufacturing Centers, Technology/Data Centers, Research and Design/Development Businesses, General Office Land Uses, Flexible Space (i.e. Office/Warehouse Combinations Land Uses), and Light Assembly Businesses
- 2 Secondary Land Uses: Parks, Open Space, Civic/Institutional and Certain Complementary Commercial Land Uses (e.g. Office/Showroom)
- 3 Zoning Districts: Light Industrial (LI) District and Planned Development (PD) Districts

### EXISTING LAND USE EXAMPLES

- 1 Rockwall Technology Park
- 2 Channell Commercial Corporation

## SPECIAL DISTRICTS

### LIVE/WORK (LW)

The *Live/Work* land use designation is characterized by the reuse of single-family properties as low-intensity office or retail land uses. These areas are considered to be transitional and require added flexibility for the purpose of maintaining a specific small town aesthetic along major roadways. These areas are used to buffer residential areas from major roadways or more intense commercial land uses. This designation also allows live/work arrangements where a single-family structure may continue to serve as residence, while also supporting a low-intensity office or retail store.

### DESIGNATION CHARACTERISTICS

- 1 Primary Land Uses: Professional Offices, Boutiques, Art/Music Studios, and Antique and Collectable Shops.
- 2 Secondary Land Uses: Banquet Facilities, Small Restaurants, Veterinarian Clinics for Small Animals, and Open Space
- 3 Zoning Districts: Residential-Office (RO) District and Planned Development (PD) Districts

### EXISTING LAND USE EXAMPLES

- 1 N. Goliad Street Between East Fork Road and the Downtown
- 2 West Side of Ridge Road after the SH-205/Ridge Road Split
- 3 N. Goliad Street Across from the YMCA

### MIXED-USE (MU)

The *Mixed-Use* land use designation is characterized by mixed-use developments that typically offer a mix of housing types and residential densities with integrated retail, personal services and/or office. These areas can be both vertically and horizontally integrated with a mix of land uses, and are generally designed as walkable/pedestrian friendly developments. The residential component can include single-family homes, townhouses, condominiums, urban housing, lofts, or multi-family. Vertically integrated mixed-use developments typically incorporate structured parking at the center of the block, recreational and pedestrian amenities and have ground floor commercial/retail, office or personal services.

### DESIGNATION CHARACTERISTICS

- 1 Primary Land Uses: Retail, Office, Restaurant and Residential Land Uses
- 2 Secondary Land Uses: Parks, Open Space, Trails, and Institutional/Civic Land Uses
- 3 Zoning Districts: Downtown (DT) District and Planned Development (PD) Districts

### EXISTING LAND USE EXAMPLES

- 1 Rockwall Commons
- 2 Harbor District

### DOWNTOWN (DT)

# 10 NORTH LAKESHORE DISTRICT

## DISTRICT DESCRIPTION

The *North Lakeshore District* is an established district that is significantly developed with medium density, suburban housing. Many of the subdivisions in this district are considered established and it is not anticipated that this district's development patterns will drastically change moving forward.

## DISTRICT STRATEGIES

Currently, the *North Lakeshore District* is nearing its buildout capacity with only a few parcels of vacant land left in the northern areas of the district. Considering this, the following are the recommended strategies for this district moving forward:

- 1 Infill Development.** Residential infill development within this district should be compatible with the surrounding structures and should generally follow the guidelines for medium density, suburban housing products. Non-residential infill development should be designed utilizing an architectural style and scale that will complement the adjacent residential structures.
- 2 Neighborhood/Convenience Centers.** The commercial in this district is intended to support the existing residential subdivisions and should be compatible in scale with the adjacent residential structures.
- 3 Live/Work.** The live/work designations in this district are intended to provide a low intensity transition from residential properties to N. Goliad Street [SH-205]. These centers should be constructed to a similar residential scale as the adjacent residential properties.
- 4 Land Use Scenarios.** Depending on adjacent development this area could also transition to a *Live/Work* or *Commercial* designation.
- 5 Northern Lake Access.** The City should continue to explore opportunities for public access to the waterfront for the creation of public parks, passive greenway spaces, and trails. This is specifically important in the areas indicated by the red dashed line (---).

# 02 DOWNTOWN DISTRICT

## DISTRICT DESCRIPTION

The *Downtown District* is the cultural heart of the community and embodies the small town atmosphere that is characteristic of the City of Rockwall. Being the original town area, this district is significantly developed and contains the City's oldest residential and commercial buildings. This district also includes the City's Old Town Rockwall (OTR) Historic District, which is composed of housing that dates back to the late 1800's. The *North Goliad Corridor* -- also identified by its zoning classification (i.e. PD-50) -- is a unique *Live/Work* corridor that supports a range of small boutiques (with a SUP) and offices, and represents a successful adaptive reuse effort by the City. In the future, the City will need to balance the attractiveness of redevelopment in the Downtown area with the small town atmosphere that makes Rockwall unique to its residents.

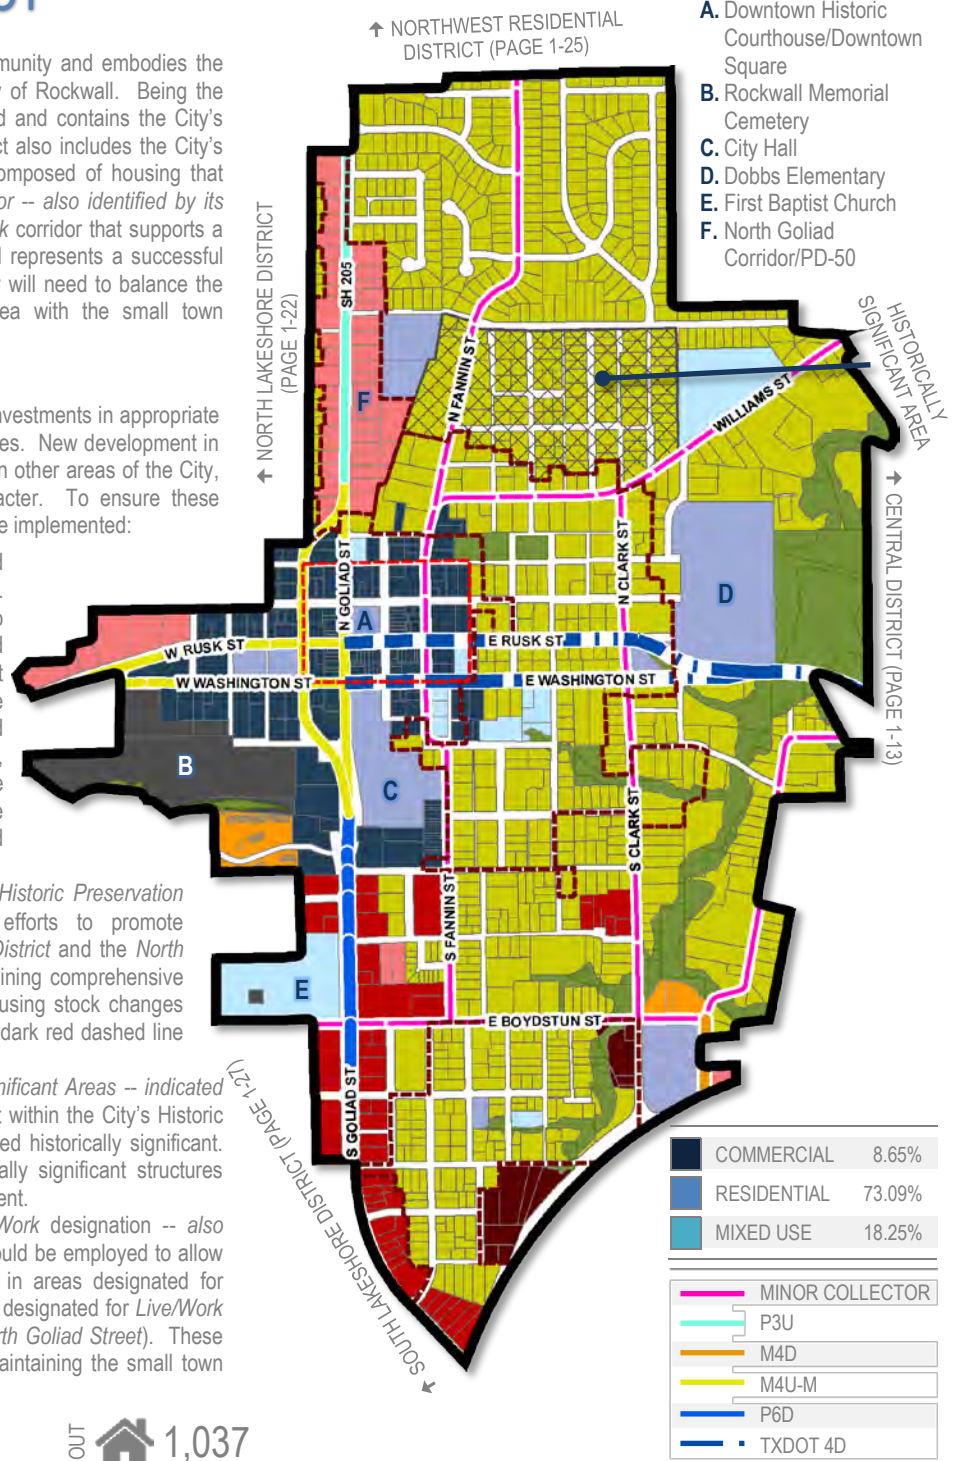

## DISTRICT STRATEGIES

The *Downtown District* will continue to prosper through investments in appropriate infill development and adaptive reuse of existing structures. New development in this area should be held to a higher level of scrutiny than other areas of the City, to ensure that the district retains its small-town character. To ensure these objectives are achieved, the following strategies should be implemented:

- 1 Downtown Square.** The *Downtown Square* should be preserved as a historical mixed-use area. Adaptive reuse strategies should be employed to protect and preserve the historic architecture and significance in the district, and redevelopment should be discouraged. In cases where redevelopment is appropriate, architecture and design standards that take into account the form, function and time-period of the existing of the downtown square should be implemented. The downtown square is indicated by the red dashed line (---).
- 2 Historic District and North Goliad Corridor.** The *Historic Preservation Advisory Board (HPAB)* should continue its efforts to promote preservation and appropriate infill in the *Historic District* and the *North Goliad Corridor* (i.e. PD-50). This includes maintaining comprehensive and accurate records of how this area and its housing stock changes over time. The Historic District is indicated by the dark red dashed line on the district map (---).
- 3 Historically Significant Areas.** The *Historically Significant Areas* -- indicated in the crosshatched area --- are areas that are not within the City's Historic District, but contain housing stock that is considered historically significant. This area should look to preserve these historically significant structures while continuing to allow appropriate infill development.
- 4 Live/Work.** The flexibility provided by the *Live/Work* designation -- also allowed in the *Downtown (DT)* zoning district -- should be employed to allow for adaptive reuse of the existing housing stock in areas designated for *Downtown (DT)* District land uses and in the areas designated for *Live/Work* land uses (i.e. adjacent to *W. Rusk Street* and *North Goliad Street*). These districts are important to allowing change while maintaining the small town atmosphere of the Downtown area.

**TO:** Mayor and City Council

**DATE:** July 21, 2025

**APPLICANT:** Jonathan Brown, AIA; *JHP Architecture/Urban Design*

**CASE NUMBER:** Z2025-029; *Rockwall Community Playhouse (SF-7 to PD)*

---

On June 19, 2025, the Historic Preservation Advisory Board (HPAB) held a public hearing on *Case No. H2025-013*, and approved a motion to table the case to the July 17, 2025 Historic Preservation Advisory Board (HPAB) meeting. The purpose of this action was to allow the applicant time to address concerns related to their concept plan and building elevations raised by the Historic Preservation Advisory Board (HPAB) during the public hearing. According to Subsection 02.03, *Procedures for Zoning Applications*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC), “(a) public hearing may be continued by the Planning and Zoning Commission or City Council any time after the public hearing has commenced. The continuation of a public hearing shall be to a specific time and date no later than 30-days from the first or most recent public hearing. A continued public hearing shall be presumed to be held in the same location as the initial public hearing, unless a different location is announced. The announcement of a continuation at a public hearing shall be sufficient notice and no additional notice is required.” Given that the Historic Preservation Advisory Board (HPAB) tabled *Case No. H2025-013*, and the Planning and Zoning Commission approved a motion to table this *Zoning Change* request, the City Council will need to announce the new public hearing date of August 4, 2025. No further action or motions are required. Should the City Council have any questions, staff will be available at the July 21, 2025 City Council Meeting.

**TO:** Mayor and City Council  
**DATE:** July 21, 2025  
**APPLICANT:** Tom and Patti Muggeo  
**CASE NUMBER:** Z2025-031; *Specific Use Permit (SUP) for an Accessory Structure at 2317 Saddlebrook Lane*

**SUMMARY**

Hold a public hearing to discuss and consider a request by Tom and Patti Muggeo for the approval of a Specific Use Permit (SUP) for an Accessory Building that exceeds the maximum size for a one (1) acre parcel of land identified as Lot 5, Block A, Saddlebrook Estates #2 Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 16 (SF-16) District, addressed as 2317 Saddlebrook Lane, and take any action necessary.

**BACKGROUND**

On July 25, 1985, a subdivision plat for Saddlebrook Estates #2 Addition was filed with Rockwall County. This subdivision plat established 45 single-family homes on 51.47-acres, and established the subject property as Lot 5, Block A, Saddlebrook Estates #2 Addition. The subject property -- along with the rest of the Saddlebrook Estates #2 Addition -- was annexed into the City of Rockwall on August 30, 1999 by *Ordinance No. 99-33 [Case No. A1999-002]*, and was zoned Agricultural (AG) District at the time of annexation. On November 5, 2001, the City Council approved *Ordinance No. 01-58* rezoning the Saddlebrook Estates #2 Subdivision -- which included the subject property -- from an Agricultural (AG) District to Single-Family 16 (SF-16) District. This remains the current zoning designation of the subject property. According to the Rockwall Central Appraisal District (RCAD), a 3,461 SF single-family home was constructed on the subject property in 2002. Also existing on the subject property is a 750 SF detached garage constructed in 2005, a 192 SF accessory building constructed in 2005, and a 291 SF pergola constructed in 2012.

**PURPOSE**

The applicants -- *Tom and Patti Muggeo* -- are requesting the approval of a Specific Use Permit (SUP) to allow for the construction of an accessory structure that exceeds the number of accessory structures and the overall maximum allowable square footage for an accessory structure permitted within a Single-Family 16 (SF-16) District.

**ADJACENT LAND USES AND ACCESS**

The subject property is addressed as 2317 Saddlebrook Lane. The land uses adjacent to the subject property are as follows:

- North: Directly north of the subject property is Saddlebrook Lane, which is classified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this thoroughfare are two (2), one (1) acre parcels of land (*i.e. Lots 6 & 15, Block B, Saddlebrook Estates #2*). The properties are zoned Single Family 16 (SF-16) District. Beyond this is one (1), one (1) acre parcel of land (*i.e. Lot 20, Block A, Saddlebrook Estates #2*). Each of the aforementioned lots currently have a single-family home situated on them. Beyond this is the corporate limits of the City of Rockwall.
- South: Directly south of the subject property is the corporate limits of the City of Rockwall and several single-family residences situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ).
- East: Directly east of the subject property are three (3), one (1) acre lots (*i.e. Lots 2,3, & 4, Block A, Saddlebrook Estates #2*) that are zoned Single Family 16 (SF-16) District and developed with single-family homes. Beyond this is a 0.72-

acre parcel of land (i.e. Lot 1, Block A, Saddlebrook Estates #2) zoned Single Family 16 (SF-16) District and developed with a single-family home. Beyond this is FM-1141, which is classified as an A4D (i.e. arterial, four [4] lane, divided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is the corporate limits of the City of Rockwall and several single-family residences situated within the City of Rockwall's Extraterritorial Jurisdiction (ETJ).

**West:** Directly west of the subject property are five (5), one (1) acre parcels of land, zoned Single-Family 16 (SF-16) District that are developed with single-family homes. Beyond this is an 11.96-acre parcel of land (i.e. Lot 2, Block A, Cox Acres) developed with a 4,349 SF single-family home. Beyond this is a 4.83-acre parcel of land (i.e. Lot 1, D.R. Taylor Addition) developed with a 2,318 SF single-family home. Both of these properties are zoned Agricultural (AG) District. Beyond this is E. Old Quail Run Road, which is classified as a R2 (i.e. residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

MAP 1: LOCATION MAP  
YELLOW: SUBJECT PROPERTY

### **CHARACTERISTICS OF THE REQUEST**

According to the site plan and building elevations provided by the applicants, the proposed accessory structure will measure 12-feet by 16-feet (or 192 SF), and be situated in the rear yard of the subject property. It will be located approximately six (6) feet from the western or side property line and more than 50-feet from the southern or rear property line. In addition, the proposed accessory structure will be required to be located more than six (6) feet from the existing pergola. The proposed overall height of the structure will be 12-feet, eight (8) inches. The exterior of the structure will be clad in LP SmartSide OSB siding as is typical with accessory structures from TuffShed.

### **CONFORMANCE WITH THE CITY'S CODES**

According to Subsection 07.04, *Accessory Structure Development Standards*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), the Single-Family 16 (SF-16) District allows a maximum of two (2) accessory structures with a maximum square footage of 144 SF each. In addition, the Unified Development Code (UDC) allows one (1) of these accessory structures to be a detached garage with a maximum square footage of 625 SF. The proposed accessory structure is 192 SF (*i.e. 48 SF over the maximum allowable square footage*) and there are currently three (3) existing accessory structures situated on the subject property. One (1) of the existing structures is an accessory building that has a building footprint of 192 SF, and one (1) is a pergola that has a building footprint of 291 SF. In addition, the proposed *Accessory Building* is required to meet the density and dimensional requirements for Single-Family 16 (SF-16) District contained in Subsection 07.01, *Residential District Development Standards*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), and which are summarized as follows:

<i>Ordinance Provisions</i>	<i>Zoning District Standards</i>	<i>Conformance to the Standards</i>
<i>Number of Accessory Structures Permitted</i>	2	X=4; <i>Not in Conformance</i>
<i>Accessory Structure (Maximum Square Footage)</i>	144 SF	192 SF; <i>Not in Conformance</i>
<i>Minimum Rear Yard Setback</i>	3-Feet	X>50-feet; <i>In Conformance</i>
<i>Minimum Side Yard Setback</i>	3-Feet	X=6-feet; <i>In Conformance</i>
<i>Maximum Building Height</i>	15-Feet	X=12-Feet, 8-Inches; <i>In Conformance</i>
<i>Between Buildings</i>	6-feet	X=6-feet; <i>In Conformance</i>

**STAFF ANALYSIS**

In reviewing a Specific Use Permit (SUP), the Planning and Zoning Commission and City Council are asked to consider: [1] if the structure was constructed without a permit or under false pretenses, [2] the size of the proposed *accessory structure* compared to the size of other *accessory structures* in the area/neighborhood/subdivision, and [3] the size, architecture, and location of the proposed accessory structure compared to those of the primary structure. In this case, the proposed accessory structure is consistent in size with other *accessory buildings* in the Saddlebrook Estates Subdivision. Out of 57 *accessory structures* surveyed by staff in the subdivision, the majority were similar in scale or larger than what the applicant is proposed. The 13 *detached garages* account for the larger structures observed by staff.

Although the request exceeds code limits, it does not appear to negatively impact adjacent properties based on placement and/or scale of the structure. With all this being said, a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

**NOTIFICATIONS**

On June 18, 2024, staff mailed 25 notices to property owners and occupants within 500-feet of the subject property. Staff also sent a notice to the Stoney Hollow Homeowners Association (HOA), which is the only HOA or Neighborhood Organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was written, staff has received seven (7) notices in favor of the applicant’s request.

**CONDITIONS OF APPROVAL**

If the City Council chooses to approve of the applicant’s request for a Specific Use Permit (SUP) for an *Accessory Building*, then staff would propose the following conditions of approval:

- (1) The applicants shall be responsible for maintaining compliance with the operational conditions contained within the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) The development of the Subject Property shall generally conform to the *Site Plan* as depicted in *Exhibit ‘B’* of the Specific Use Permit (SUP) ordinance.
  - (b) The construction of an *Accessory Building* on the Subject Property shall generally conform to the *Building Elevations* depicted in *Exhibit ‘C’* of the Specific Use Permit (SUP) ordinance.

- (c) The *Accessory Building* shall not exceed a maximum size of 144 SF.
  - (d) The subject property shall be limited to a maximum of four (4) accessory structures.
  - (e) The *Accessory Building* shall not be sold or conveyed separately from the single-family home without meeting the requirements of the zoning district and subdivision ordinance.
- (2) The applicant shall provide staff with a site plan that shows conformance to the with the *Residential District Development Standards* contained in Subsection 07.01 of Article 05, *District Development Standards*, of the Unified Development Code (UDC), before the issuance of a building permit. Specifically, the accessory building shall be a minimum of six (6) feet from the pergola situated on the subject property.
- (3) Any construction resulting from the approval of this *Specific Use Permit (SUP)* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

### **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the *Specific Use Permit* by a vote of 7-0.

**FROM:** Ryan Miller; *Director of Planning and Zoning*  
**DATE:** July 21, 2025  
**SUBJECT:** Z2025-032; Amendment to Planned Development District 11 (PD-11)

---

On June 5, 2023, the City Council directed staff to begin the process of initiating zoning to amend the City's older Planned Development (PD) Districts in order to prepare consolidating ordinances (*i.e. writing one [1] ordinance that supersedes all previous ordinances for the Planned Development Districts*). The purpose of this effort is to [1] make zoning easier to understand for the City's external customers (*i.e. developers, homebuilders, and citizens*), and [2] to make the zoning ordinances easier to interpret internally by City staff; however, the proposed consolidating ordinances are not intended to change any of the requirements, concept plans, or development standards stipulated for any Planned Development (PD) District. This was successfully done recently to the Planned Development (PD) Districts for the Chandler's Landing Subdivision (*i.e. Planned Development District 8 [PD-8]*), Lakeside Village/Turtle Cove Subdivisions (*i.e. Planned Development District 2 [PD-2]*), the Shores Subdivision (*i.e. Planned Development District 3 [PD-3]*), the Windmill Ridge Subdivision (*i.e. Planned Development District 13 [PD-13]*), and Planned Development District 9 (PD-9).

Planned Development District 11 (PD-11) -- *also known as the Hillcrest Shores Subdivision* -- was originally adopted in 1973, and currently consists of 30 pages of regulations within seven (7) regulating ordinances. The Planned Development District also consists of approximately 20 development cases. The proposed draft ordinance consolidates these regulating ordinances and development cases into a single document. Staff should note that under the proposed amendment, staff is required to initiate zoning; however, the proposed consolidating ordinance will not change any of the requirements, concept plans, or development standards stipulated for any property in the Hillcrest Shores Subdivision. To assist the City Council in understanding this zoning change, staff has included a copy of the current ordinances that make up Planned Development District 11 (PD-11), a timeline and summary of each development case associated with Planned Development District 11 (PD-11), and staff's proposed draft ordinance for comparison purposes.

This being a zoning case, staff sent out 658 notices to all property owners and occupants within Planned Development District 11 (PD-11), and within 500-feet of the Planned Development District's boundaries. In addition, staff notified the Rockwall Shores, The Shores on Lake Ray Hubbard, Lakeview Summit, and The Preserve Homeowner's Associations (HOAs), which were the only HOAs within 1,500-feet of Planned Development District 11 (PD-11) participating in the Neighborhood Notification Program. Included with the notice was a link to the City's website -- *which had all of the zoning documents associated with the case (i.e. the old Planned Development District 11 [PD-11] ordinances and the proposed draft ordinance)* -, and included with the notice was a letter explaining the purpose of the zoning amendment. To date, staff has received three (3) property owner notifications from three (3) property owners. Two (2) of these notices are in favor of the proposed amendment and one (1) notice is opposed to the proposed amendment. Staff should note that the notice in opposition indicated that the amendment would allow "affordable housing" in the Emerald Bay Park; however, as previously stated by staff, the proposed amendment does not change any of the requirements, concept plans, or development standards stipulated for any property in the Hillcrest Shores Subdivision or the Emerald Bay Park. On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the zoning change by a vote of 7-0. Should the City Council have any questions, staff will be available at the July 21, 2025 Planning and Zoning Public Hearing.

TO: The Residents of the Hillcrest Shores Subdivision

FROM: Ryan Miller, AICP  
City of Rockwall Planning and Zoning Department  
385 S. Goliad Street  
Rockwall, Texas 75087

SUBJECT: Case No. Z2025-032; Amendment to Planned Development District 11 (PD-11)

Property Owners and/or Residents of the Hillcrest Shores Subdivision,

The City of Rockwall has initiated an amendment to Planned Development District 11 (PD-11) for the purpose of consolidating the regulating ordinances contained within this Planned Development District. Currently, Planned Development District 11 (PD-11) -- *which regulates the Hillcrest Shores Subdivision* -- consists of over 30 pages of regulations within seven (7) regulating ordinances, and over 20 development cases. The proposed amendment does not change the land uses, development requirements, or the concept plans associated with these ordinances. The proposed amendment will, however, consolidate these ordinances and development cases into a single Planned Development District ordinance. The purpose of making this change is to make the document easier to read and understand for residents and contractors looking to do work in this Subdivision, and for City staff when reviewing permits.

#### WHY AM I GETTING THIS NOTICE?

The Local Government Code for the State of Texas requires notices to be sent to all property owners and occupants effected by a zoning change. The City of Rockwall establishes a 500-foot notification buffer around the subject property as the notice areas. This means that you are receiving this notice because you either live within the Hillcrest Shores Subdivision or within 500-feet of its boundaries. The attached map is a visual representation of the subject property (*i.e. the Hillcrest Shores Subdivision*) and the 500-foot notification buffer surrounding the zoning area.

#### DOES THIS CHANGE MY PROPERTY'S ZONING?

NO. The proposed amendment to Planned Development District 11 (PD-11) will not change your zoning or any development requirements associated with your property or any other properties located within the Hillcrest Shores Subdivision. It will only make it easier to find the development requirements associated with property for property owners, contractors, and city staff. Any property that is located within the 500-foot notification area -- *but is not situated within the Hillcrest Shores Subdivision* -- will not be affected by the proposed zoning change.

#### WHEN CAN I LEARN MORE ABOUT THIS AMENDMENT?

The Planning and Zoning Commission will hold a *PUBLIC HEARING* on Tuesday, July 15, 2025 at 6:00 PM, and the City Council will hold a *PUBLIC HEARING* on Tuesday, July 21, 2025 at 6:00 PM. These hearings will be held in the City Council Chambers at City Hall, 385 S. Goliad Street. Should a resident wish to attend these meetings they will be open to the public. In addition, all meetings will be available to be streamed live and via recording after the meeting through the City's website (*i.e. www.rockwall.com*). If you have specific questions about the amendment you can contact the Rockwall Planning and Zoning Department at (972) 772-6441 or email [planning@rockwall.com](mailto:planning@rockwall.com).

Sincerely,

Ryan Miller, AICP  
Director of Planning and Zoning

According to the City's annexation ordinances, the subject property was annexed into the City of Rockwall by *Ordinance No. 59-02* on July 6, 1959 [*i.e. Case No. A1959-002*]. At the time of annexation, the subject property was zoned Agricultural (AG) District. Sometime between July 6, 1959 and January 3, 1972, the subject property was rezoned to Single-Family 3 (SF-3) District. The property was again rezoned to a Single-Family 7 (SF-7) District between January 3, 1972 and May 16, 1983, and has remained zoned Single-Family 7 (SF-7) District since this change. Based on the records listed on Rockwall Central Appraisal District (RCAD), there is currently a 1,660 SF single-family home that was constructed in 1975 on the subject property.

### **CHARACTERISTICS OF THE PROJECT**

The applicant is seeking approval for the construction of a *Guest Quarters/Secondary Living Unit* on the subject property. The proposed accessory structure will be 40-feet by 20-feet or a total area of 800 square feet. The structure will be situated six (6) feet from the side (*or northern*) property line, ten (10) feet from the rear (*or eastern*) property line, and will be constructed on a concrete foundation. It is designed to have an overall height of 12-feet, 6-inches (*or ten [10] feet, six [6] inches at the midpoint of the pitched roof*), and will feature a roof with a 5:12 roof pitch. According to the floor plan submitted by the applicant, the structure will include two (2) bedrooms, two (2) bathrooms, a pantry, kitchen, living room, and laundry room. Staff notes that the proposed building contains all the components of a dwelling unit, and per zoning regulations for the Single-Family 7 (SF-7) District, only one (1) dwelling unit is permitted per lot.

### **CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES**

According to Article 13, *Definitions*, of the Unified Development Code (UDC) a *Guest Quarters/Secondary Living Unit* is defined as "(a)n accessory building designed for the temporary occupancy of guests of the primary dwelling for which there is no remuneration and is not rented or otherwise used as separate domicile." According to the *Permissible Use Charts* contained in

Article 04, *Permissible Uses*, of the Unified Development Code (UDC) a *Guest Quarters/Secondary Living Unit/Accessory Dwelling Unit* requires a Specific Use Permit (SUP) in a Single-Family 7 (SF-7) District and -- according to Subsection 02.03 -- is subject to the following *Conditional Land Use Standards*: [1] the structure must be ancillary to a single-family home, [2] the square footage of the structure shall not exceed 30.00% of the square footage of the primary structure, and [3] the structure may not be sold or conveyed separately from the single-family home without meeting the zoning requirements for the district. In addition to these requirements, a *Guest Quarters/Secondary Living Unit/Accessory Dwelling Unit* is subject to the dimensional requirements contained in Subsection 07.04, *Accessory Structure Development Standards*, of Article 05, *District Development Standards*, and the parking requirements of Article 06, *Parking and Loading*, of the Unified Development Code (UDC). As stated above, *Guest Quarters/Secondary Living Unit* are permitted to be 30.00% of the square footage of the primary structure. In this case, the applicant is permitted a maximum of 498 SF *Guest Quarters/Secondary Living Unit* (i.e. 1,660 SF x 30.00% = 498 SF) based on the operational conditions for a *Guest Quarters/Secondary Living Unit*. With that being said, the applicant is requesting an 800 SF *Guest Quarters/Secondary Living Unit*, which represents approximately 48.20% of the primary structure. This is approximately 18.20% or 302 SF more than what the Unified Development Code (UDC) allows. If the applicant's request is approved, staff has included operational conditions in the Specific Use Permit (SUP) ordinance that tie down the size, height, and general architecture of the proposed single-family home and *Guest Quarters/Secondary Living Unit*.

## **STAFF ANALYSIS**

Based on the information provided and the plans submitted by the applicant, the proposed building DOES NOT CONFORM to most of the requirements for a *Guest Quarters/Secondary Living Unit* and appears to incorporate all elements of a dwelling unit (i.e. it would be classified as a dwelling unit). Following a review of the surrounding properties, staff has determined that no existing buildings are comparable in size and composition to the proposed structure. As previously noted, the proposed Guest Quarters/Secondary Living Unit includes all the components characteristic of a dwelling unit and is intended to be located on a parcel where only one (1) dwelling unit is permitted per lot. Staff contacted the applicant to change the plans to better conform to the requirements of the Unified Development Code (UDC) by removing the kitchen; however, the applicant has failed to provide staff with updated plans and has chosen to move forward with the request as presented. Based on the fact that this request would essentially allow two (2) dwelling units on a property zoned Single-Family 7 (SF-7) District -- which only allows one (1) dwelling unit per lot --, staff is obligated to recommend denial of the applicant's request.

## **NOTIFICATIONS**

On June 18, 2025, staff mailed 142 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Caruth Lakes Homeowners Association (HOA), which is the only Homeowner Association (HOA) or Neighborhood Organization within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received one (1) notice in favor and six (6) notices in opposition to the applicant's request.

## **CONDITIONS OF APPROVAL**

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) for a *Guest Quarters/Secondary Living Unit*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) The development of the *Guest Quarters/Secondary Living Unit* shall generally conform to the Site Plan as depicted in Exhibit 'B' of the draft ordinance.
  - (b) The construction of a *Guest Quarters/Secondary Living Unit* on the Subject Property shall generally conform to the Building Elevations depicted in Exhibit 'C' of the draft ordinance.
  - (c) The *Guest Quarters/Secondary Living Unit* shall not exceed a maximum of 800 SF.
  - (d) The *Guest Quarters/Secondary Living Unit* shall not incorporate full kitchen facilities.

- (e) The subject property shall be limited to one (1) dwelling unit as defined by the Unified Development Code (UDC); and,
  - (f) The *Guest Quarters/Secondary Living Unit* shall not be sold or conveyed separately from the single-family home without meeting the requirements of the zoning district and subdivision ordinance.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

**PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend denial of the Specific Use Permit (SUP) by a vote of 7-0.

Regarding Case No. Z2025-033 SUP for a Guest Quarters/Secondary Living Unit - We are opposed to the request. Reasons: We choose to keep our neighborhood zoned for single family dwellings. Thanks to a lack of, or very poor planning, the city has overbuilt to a point the roads are overburdened with traffic creating dangerous and very aggravating driving conditions. Also, for the most part, rental property degrades a neighborhood. Multiple houses on a single lot degrades the neighborhood's even more.

**TO:** Mayor and City Council  
**DATE:** July 21, 2025  
**APPLICANT:** Himmat Chauhan; *Homestay Rentals, LP*  
**CASE NUMBER:** Z2025-034: *Specific Use Permit (SUP) for a Short-Term Rental at 3985 Horizon Road*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Himmat Chauhan of Homestay Rentals, LP for the approval of a Specific Use Permit (SUP) for a *Non-Owner Occupied Short-Term Rental* on a 0.2250-acre tract of land identified as a portion of Lot 609 and all of Lot 610, Rockwall Lake Estates #1 Addition, City of Rockwall, Rockwall County, Texas, zoned Planned Development District 75 (PD-75) for Single-Family 7 (SF-7) District land uses, addressed as 3985 Horizon Road, and take any action necessary.

### BACKGROUND

The subject property was originally platted as Lot 610 with the Rockwall Lake Properties Development No. 1 Addition, which was filed with Rockwall County on June 15, 1956. According to the Rockwall County Appraisal District (RCAD), the subject property has a 1,876 SF single-family home situated on it that was built in 1982. On February 17, 2009, the subject property -- *along with the rest of the Lake Rockwall Estates Subdivision* -- was annexed into the City of Rockwall by *Ordinance No. 09-07*. On September 21, 2009, the City Council rezoned the Lake Rockwall Estates Subdivision from an Agricultural (AG) District to Planned Development District 75 (PD-75) [*Ordinance No. 09-37*] for Single-Family 7 (SF-7) District land uses. On January 4, 2016, the City Council amended Planned Development District 75 (PD-75) with *Ordinance No. 16-01*, which made minor changes to the *Consideration of a Special Request* section of the ordinance.

### PURPOSE

The applicant -- *Himmat Chauhan of Homestay Rentals, LP* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of allowing a *Non-Owner-Occupied Short-Term Rental* on the subject property, which is located within 1,000-feet of one (1) existing *Non-Owner-Occupied Short-Term Rental*.

### ADJACENT LAND USES AND ACCESS

The subject property is addressed as 3985 Horizon Road. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are four (4) residential lots [*i.e. 3935, 3885, 3835, and 3775 Horizon Road*] that are vacant and zoned Planned Development District 75 (PD-75) for Single-Family 7 (SF-7) District land uses. Beyond this is a 2.5184-acre parcel of land (*i.e. Lot 17, Block C, Rockwall Lake Estates Addition*) that is zoned Planned Development District 75 (PD-75) and is designated for *Open Space and Drainage*. Beyond that is Tubbs Road, which is classified as a M4U (*i.e. major collector, four [4] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

### **CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES**

On April 1, 2024, the City Council approved *Ordinance No. 24-10*, which amended both the Unified Development Code (UDC) and the Municipal Code of Ordinances for the purpose of creating zoning and regulatory restrictions for *Short-Term Rentals*. Specifically, this ordinance: [1] amended the *Permissible Land Use Charts* to create a *Short-Term Rental* land use, [2] created *Conditional Land Use Standards* for each type of *Short-Term Rental* (i.e. *Owner Occupied* and *Non-Owner Occupied*), [3] created a *Short-Term Rental Permit and Registration Program*, [4] created *General Standards for Short-Term Rentals*, [5] established a minimum general commercial insurance coverage requirement, [6] established enforcement and penalty procedures, [7] required a responsible party as part of the permit and registration, [8] created an appeal process, and [9] established non-conforming rights for properties that were in operation prior to the adoption of the ordinance. As part of this process, staff sent out notices to all existing *Short-Term Rentals* in the City of Rockwall, and established a *grace period* from April 1, 2024 to July 1, 2024 to allow existing *Short-Term Rentals* the ability to submit for a *Short-Term Rental Permit and*

*Registration.* During this *grace period* existing *Short-Term Rentals* were exempted from the proximity requirements established by the zoning ordinance.

According to Article 13, *Definitions*, of the Unified Development Code (UDC), a *Short-Term Rental* is defined as "... a residential dwelling unit, apartment, condominium, or *Guest Quarters/Secondary Living Unit/Accessory Dwelling Unit* in which the entire structure or a portion thereof is offered for rent for a period exceeding 12-hours, but less than 30 consecutive days, to a particular occupant. In practice, a *Short-Term Rental* is considered to be a residential land use, and is not considered to be a *Limited-Service Hotel, Full-Service Hotel, Residence Hotel, Motel, or Bed and Breakfast* as defined in this Unified Development Code (UDC)." This definition section goes on to define a *Non-Owner Occupied Short-Term Rental* as "(a) single-family home, townhome, or duplex -- or a portion thereof -- in which the property owner or operator does not occupy the dwelling unit during the rental, or that the owner or property owner does not occupy another dwelling unit -- or portion thereof -- on the same property (i.e. the property owner or operator is not on-site as an occupant during the rental of the property)." According to the *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the Unified Development Code (UDC), a *Non-Owner-Occupied Short-Term Rental* is permitted in a Single-Family 7 (SF-7) District with the following conditions:

- (a) *Short-Term Rentals* that are *Non-Owner-Occupied* shall not be located within 1,000-feet of another *Short-Term Rental* that is *Non-Owner Occupied*.
- (b) *Short-Term Rentals* that are *Non-Owner-Occupied* that do not meet proximity requirements may be considered on a case-by-case basis by the Planning and Zoning Commission and City Council through a *Specific Use Permit (SUP)*. In considering a *Specific Use Permit (SUP)* for a *Short-Term Rental* that is *Non-Owner-Occupied* the Planning and Zoning Commission and City Council shall consider the size, location, and impact of the proposed and existing *Short-Term Rentals* on the adjacent residential properties and their occupants.
- (c) The *Short-Term Rental* shall not incorporate accessory land uses that are not permitted within the underlying zoning district (e.g. *Banquet Facility/Event Hall* which includes meeting halls and wedding venues) as stipulated by the *Permissible Use Charts*.
- (d) In order to establish and operate a *Short-Term Rental (Non-Owner-Occupied Single-Family Home, Townhome, or Duplex)* in the City of Rockwall, a permit and registration shall be required in accordance with the requirements of Article 2, *Short-Term Rentals*, of Chapter 13, *Rental Housing*, of the *Municipal Code of Ordinances*.

In this case, the applicant submitted a request for a *Non-Owner-Occupied Short-Term Rental (STR)* at 3985 Horizon Road, and at the time of application it was determined that there was already one (1) permitted *Non-Owner-Occupied Short-Term Rental* within 1,000-feet of the subject property, and that the applicant's request failed to meet the proximity requirements to allow another *Non-Owner-Occupied Short-Term Rental*. Based on this, the applicant was notified that a *Specific Use Permit (SUP)* would need to be requested before the *Short-Term Rental Permit* could be submitted and issued. In response to this, the applicant has provided the necessary permit application and photos of the property, which are included in the attached packet.

## **STAFF'S ANALYSIS**

When evaluating a *Specific Use Permit (SUP)* for a *Non-Owner-Occupied Short-Term Rental*, the Planning and Zoning Commission and City Council are asked to assess the size, location, and impact of both the proposed and existing *Short-Term Rentals* on nearby residential properties and their occupants. The proposed *Short-Term Rental* is located 814.5-feet from an existing, permitted *Non-Owner-Occupied Short-Term Rental* (i.e. 144 Mulberry Lane) [Permit No. STR2024-6131] that accommodates up to six (6) guests with three (3) bedrooms and two (2) bathrooms. This *Non-Owner-Occupied Short-Term Rental (STR)* was in existence before the *Short-Term Rental (STR)* ordinance was adopted on April 1, 2024 and when the *Short-Term Rental (STR)* permit was issued, there were no other permitted *Non-Owner-Occupied Short-Term Rentals* within 1,000 feet. The proposed *Short-Term Rental* is an 1,876 SF single-family home that has four (4) bedrooms and three (3)

**FIGURE 1: SUBJECT PROPERTY PROXIMITY TO EXISTING NON-OWNER OCCUPIED SHORT-TERM RENTALS**

bathrooms. Staff should note that, as opposed to other *Non-Owner Occupied Short-Term Rentals* that have been denied in the past by the City Council, the applicant's property is [1] not interior to an established subdivision, [2] is situated on a major roadway adjacent to vacant lots that are currently situated within the floodplain, and [3] is not within the same subdivision as the existing *Non-Owner Occupied Short-Term Rental* (i.e. the subject property is located within the *Lake Rockwall Estates Subdivision* and the property within 1,000-feet is located within the *Windmill Ridge Estates Subdivision*). Based on this, the applicant's request may warrant additional consideration.

In this case, the City Council -- *pending a recommendation from the Planning and Zoning Commission* -- must consider if the request for the *Specific Use Permit (SUP)* for a *Non-Owner-Occupied Short-Term Rental (STR)* would constitute a proliferation of the land use within this subdivision. With all that being said, a *Specific Use Permit (SUP)* is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

## **NOTIFICATIONS**

On June 18, 2025, staff mailed 113 notices to property owners and occupants within 500-feet of the subject property. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff has received three (3) notices from two (2) property owners in opposition of the applicant's request.

## **CONDITIONS OF APPROVAL**

If the City Council chooses to approve the applicant's request for a *Specific Use Permit (SUP)* for a *Non-Owner-Occupied Short-Term Rental (STR)*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the *Specific Use Permit (SUP)* ordinance and which are detailed as follows:
  - (1) The *Subject Property* shall conform to the information provided within the *Short-Term Rental Permit Application* depicted in *Exhibits 'B'* of this ordinance; and,
  - (2) After the issuance of a *Short-Term Rental Permit and Registration* by the City of Rockwall, should the applicant allow this permit/registration to expire, lapse or be revoked by the City of Rockwall, this *Specific Use Permit (SUP)* shall automatically expire and be considered abandoned in accordance with Subsection 02.02, *Specific Use Permit (SUP)*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC).
- (2) Upon obtaining a *Short-Term Rental Permit and Registration*, should the property owner/responsible party operating under the guidelines of this ordinance fail to meet the minimum operational requirements set forth herein and outlined in the Unified Development Code (UDC), the City may (*after proper notice*) initiate proceedings to revoke the *Specific Use Permit (SUP)* in accordance with Subsection 02.02(F), *Revocation*, of Article 11, *Development Applications and Revision Procedures*, of the Unified Development Code (UDC) [*Ordinance No. 20-02*].
- (3) Any construction resulting from the approval of this *Specific Use Permit (SUP)* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

## **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend denial of the *Specific Use Permit* by a vote of 5-2, with Commissioners Hustings and Brock dissenting. According to Subsection 02.03(G), *Protest of a Zoning Change*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC), if a zoning change "...is recommended for denial by the Planning and Zoning Commission, such zoning change or *Specific Use Permit (SUP)* shall require a supermajority vote (i.e. a *three-fourths vote of those members present*), with a minimum of four (4) votes in the affirmative required for approval."

I would like to express my concern regarding the potential conversion of the home directly behind mine into a short-term rental property. I have children and a pet who frequently occupy and play in our backyard, and their safety is my top priority. Allowing the property to be used for short-term rentals introduces a constant flow of unfamiliar individuals to the area, which raises safety concerns for my family. Short-term guests often have no established connection to the community and little accountability for their behavior. This not only affects our family's peace and quiet but also makes it difficult to address issues directly, since guests are often temporary and there may not be a reliable or accessible point of contact on-site if something goes wrong.

To Mr. Ryan Miller

Planning & Zoning Director

City of Rockwall, TX

**Short Term Rental Permit Application**

**Ref: 3985 Horizon Road, Rockwall, TX 75032. Previous address 4973 Horizon Road.**

Dear Mr. Miller,

I hope this message finds you well. I am writing to express my continued enthusiasm for investing in the City of Rockwall and to respectfully request reconsideration or guidance regarding my recent short-term rental (STR) permit application for my newly purchased property—a two-story, single-family home featuring 4 bedrooms, 3 full bathrooms, and a 2-car garage.

One of the key reasons I chose this property was its location in a neighborhood with no HOA restrictions, making it ideal for STR. My vision for the home is to offer a high-quality, well-managed, and professionally operated rental experience that aligns with the standards and expectations of the community.

Although I was surprised to learn that my application was denied due to the 1,000-foot buffer rule, I remain optimistic and committed to working with the city to find a positive path forward.

I bring to this venture more than two decades of experience in the hospitality industry. For the past 24 years, I have owned and operated multiple franchised hotels, including the **Best Western Plus Rockwall Inn & Suites**, which I've successfully managed since 2010. As a long-time Rockwall resident living in Lake Side Village for the last 14 years, I am proud of my roots in the community and my commitment to operating respectfully and professionally.

HomeStay Rentals, LP

My experience with short-term rentals includes two additional properties:

- A former property in Rockwall at **786 Sunflower Trail**, which I operated as a short-term rental from 2021 to 2023—without a single complaint.
- An ongoing STR in Rowlett at **5505 Edgewater Circle**, successfully managed for five years with a perfect record of neighbor satisfaction.

The positive track record I've maintained is the result of consistent, responsible practices:

- A **minimum 5-night stay** policy, discouraging weekend party rentals.
- A thorough **guest screening process**, including ID checks and signed house rules.
- **In-person greetings** for every guest, ensuring a welcoming and accountable presence.
- High standards for **cleanliness and décor**, which support our promise: *"Stay with Confidence."*
- *I am paying my City Occupancy Tax for last 15 years in "Timely manners".*

Since closing on this home, I've already begun making significant investments in furnishing and improving the property, with the goal of offering another outstanding guest experience.

While I understand and respect the city's regulations, I kindly ask that you consider the unique qualifications, proven history, and local investment I bring to this endeavor. I remain committed to upholding all city guidelines and am eager to work collaboratively to explore any options that may allow this property to be approved for STR use.

Thank you for your time, consideration, and ongoing support of responsible operators in our city.

Sincerely,

**CASE NUMBER:** Z2025-035; *Specific Use Permit (SUP) for a Daycare Facility in Conjunction with an Existing Church/House of Worship at 305 S. Fannin Street*

### SUMMARY

Hold a public hearing to discuss and consider a request by Gunnar Ledermann on behalf of Divine Peace Evangelical Lutheran Church for the approval of a Specific Use Permit (SUP) for a *Daycare Facility* on a 0.344-acre parcel of land identified as Lots 1, 2, 3 & 4, Block T, and Lots 1, 2 & 3, Block W, Rockwall OT Addition, City of Rockwall, Rockwall County, Texas, zoned Downtown (DT) District, addressed as 305 S. Fannin Street, and take any action necessary.

### BACKGROUND

The subject property was annexed prior to 1900 based on the October 1900 Sanborn Maps. According to the Rockwall Central Appraisal District (RCAD), existing on the subject property are a 3,920 SF *Church/House of Worship* built in 1911, a 3,780 SF fellowship hall built in 1970, and a 1,472 SF single-family home that was built in 1978, but was converted to commercial in 2008. With this being said, the original *Church/House of Worship* appears to have been built on the property prior to 1900 based on the October 1900 Sanborn Maps.

## CHARACTERISTICS OF THE REQUEST

The applicant has submitted an application, letter of explanation, survey, and a floor plan requesting a Specific Use Permit (SUP) for a *Daycare Facility* in conjunction with an existing *Church/House of Worship* for a building in a Downtown (DT) District. According to the Rockwall Central Appraisal District (RCAD) there is an existing 3,920 SF *Church/House of Worship*, a 3,780 SF Fellowship Hall, and a 1,472 SF single-family home that was converted to commercial land uses situated on the subject property. The site plan submitted by the applicant depicts the proposed *Daycare Facility* will be located within the 3,920 SF *Church/House of Worship*, and will include about 2,500 SF that will be located on the north side of the existing building. The applicant's letter states that the proposed childcare center is intended for children from 2 ½ and 4 years old and the applicant has mentioned to staff that the childcare services would primarily be offered to members of the congregation. The proposed concept plan also details the proposed locations for parking, drop-off for the daycare, and the existing access drives surrounding the property.

**FIGURE 5: FLOOR PLAN**  
**RED: DAYCARE FACILITY**

## CONFORMANCE WITH THE CITY'S CODES AND STAFF ANALYSIS

Subsection 02.02(C), *Institutional and Community Service Land Uses*, of Article 13, *Definitions*, of the Unified Development Code (UDC), defines a *Church/House of Worship* as “(a) facility or area primarily used for religious gatherings, ceremonies, and worship services. It typically includes a sanctuary or worship hall, administrative offices, classrooms for religious education, and often ancillary facilities such as a fellowship hall, kitchen, and parking lot. These facilities serve as places for spiritual practice, community gatherings, and religious observance for adherents of a particular faith or denomination.” Subsection 02.02(C), *Institutional and Community Service Land Uses*, of Article 13, *Definitions*, of the Unified Development Code (UDC), defines a *Daycare with Seven (7) or More Children* as “(a) state licensed facility excluding public or private schools, dedicated to caring for seven (7) or more children under the age of 14 years old. This care is provided for less than 24-hours per day, typically during daytime hours, and is situated at a non-residential location.” In this case, the applicant's proposed use falls under this classification. According to the *Permissible Use Charts* contained in Article 04, *Permitted Uses*, of the Unified Development Code (UDC), a *Church/House of Worship* and *Daycare with Seven (7) or More Children* land use is permitted by Specific Use Permit (SUP) in the Downtown (DT) District. The Specific Use Permit (SUP) process allows “...discretionary consideration of certain uses that would typically be considered incompatible within certain locations of a zoning district, but may become compatible with the addition of special provisions, conditions or restrictions.” Staff should point out that there is currently an existing *Church/House of Worship* already located at 305 S Fannin Street that was constructed in 1911; however, a Specific Use Permit (SUP) was established for the property in 2017 when the *Church/House of Worship* was expanded to include the adjacent property (*i.e. Lots 1,2,3, Block W, and Lots 3 & 4, Block T, of the Rockwall OT Addition*).

According to Subsection 02.03, *Conditional Land Use Standards*, of Article 04, *Permissible uses*, a *Daycare with Seven (7) or More Children* has the following *Conditional Land Use Standards* associated with it: [1] an adequate pickup and drop-off area providing a minimum queuing space for four (4) standard sized vehicles shall be provided, and [2] playgrounds and splash pads shall be screened from all adjacent properties and public rights-of-way using mature evergreen shrubs. In this case, the drop off and pick up area will be located within the drive aisle of the fellowship hall. This area has sufficient space to que a minimum of four (4) vehicles. Staff should note that the applicant's letter states that “(a) separate set of plans is being produced for the proposed outdoor play area fencing to be installed at the back side of the building which will be submitted under a separate permit ...” Staff has included these plans in the attached case memo and has added a requirement that the playground space shall be screened with evergreen shrubs as a condition of approval for this case. Staff should note that the proposed *Daycare Facility* does not appear to have a negative impact on adjacent properties; however, the approval of a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

## **NOTIFICATIONS**

On June 18, 2025 and June 25, 2025, staff mailed a total of 140 notices to property owners and occupants within 500-feet of the subject property. In addition, staff notified the Bent Creek Homeowner's Associations (HOAs), which is the only Homeowner's Associations (HOAs) or Neighborhood Organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At this time, staff has received two (2) notices in favor and four (4) notices outside the notification buffer in opposition of the applicant's request.

## **CONDITIONS OF APPROVAL**

If the City Council chooses to approve the applicant's request for a Specific Use Permit (SUP) for a *Daycare Facility* in conjunction with an existing *Church/House of Worship* within a Downtown (DT) District, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) The proposed *Daycare Facility* shall generally conform to the *Floor Plan* depicted in *Exhibit 'B'* of this ordinance.
  - (b) If a playground or outdoor play area is added in conjunction with the *Daycare Facility*, the space shall be screened with evergreen shrubs to impair visibility of the space from adjacent properties and rights-of-way.
  - (c) No expansion of the *Church/House of Worship* shall be permitted without sufficient parking covering the expansion is provided.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) request shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

## **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit by a vote of 7-0.

June 13, 2025

TO: Ryan Miller, Director of Planning  
City of Rockwall Planning and Zoning Department  
385 S. Goliad St  
Rockwall, TX 75087

SUBJECT: Letter of Explanation for Zoning Application (Specific Use Permit) for 305 S Fannin St

Mr. Miller,

The purpose of this Zoning Application is to obtain a Specific Use Permit to utilize a portion of our existing church building as a childcare center for children 2 ½ to 4 years old. The existing building has been reviewed in depth by an architect to ensure the space will be brought into compliance for this intended use. That said, plans have been produced and are being submitted for permit to make a few necessary building modifications (attached is an overall plan view extracted from that drawing set for reference). A separate set of plans is being produced for the proposed outdoor play area fencing to be installed at the back side of the building which will be submitted under a separate permit application shortly.

The legal description of the property is "ROCKWALL O T, BLOCK W, LOT 1,2,3, ACRES 0.344".

Please let us know if anything further is needed to consider and process this request. We can be best reached at 

Sincerely,

Gunnar Ledermann

**APPLICANT:** Javier Silva; *JMS Custom Homes*

**CASE NUMBER:** Z2025-036; *Specific Use Permit (SUP) for a Residential Infill in an Established Subdivision for 803 Sam Houston Street*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Javier Silva of JMS Custom Homes, LLC for the approval of a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision* for the purpose of constructing a single-family home on a ~0.115-acre tract of land identified as a portion of Lot W, Block J, Sanger Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, addressed as 803 Sam Houston Street, and take any action necessary.

### BACKGROUND

The subject property was originally platted as Lot 2, Block J, Sanger Addition on May 11, 1895. According to the 1934 Sanborn Maps, there was a dwelling unit on the subject property; however, there is no record of when the structure was demolished and the property has remained vacant since its removal. Per the City's historic zoning maps, the subject property was zoned Single-Family 3 (SF-3) District as of January 3, 1972. Between January 3, 1972 and May 16, 1983, the subject property was rezoned to a Single-Family 7 (SF-7) District and has remained zoned Single-Family 7 (SF-7) District to this day.

### PURPOSE

The applicant -- *Javier Silva* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of constructing a single-family home on the subject property in accordance with Subsection 02.03(B)(11), *Residential Infill in or Adjacent to an Established Subdivision*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC).

### ADJACENT LAND USES AND ACCESS

The subject property is addressed as 803 Sam Houston Street. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are two (2) parcels of land (*i.e. 302 & 304 E. Ross Street*) developed with single-family homes. Beyond this is E. Ross Street, which is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. North of this are various parcels of land that are a part of the Sanger Subdivision, which consists of 90 residential lots and has been in existence since May 11, 1895.

South: Directly south of the subject property is a duplex (*i.e. 807 and 809 Sam Houston*) which is owned by the U.S. Housing Authority. Beyond this is a *Church/House of Worship* (*i.e. New Caledonia Baptist Church; 301 E. Bourn Street*) that is zoned Single-Family 7 (SF-7) District. Both of these lots are zoned Single-Family 7 (SF-7) District. South of this is E. Bourn Street, which is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

East: Directly east of the subject property is a vacant parcel of land (*i.e. Lot E, Block J, Sanger Addition*) zoned Single-Family 7 (SF-7) District. Beyond this is Davy Crockett Street, which is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

Comprehensive Plan. East of this is one (1) lot (i.e. 801 Davy Crockett) which is owned by the City of Rockwall and is developed with a swimming pool and a vacant parcel of land (i.e. Lots 2B & 1C, Block H, Sanger Addition). Both of these lots are zoned Multi-Family 14 (MF-14) District.

West: Directly west of the subject property is Sam Houston Street, which is classified as a R2 (i.e. residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this are various parcels of land developed with single-family homes that make-up part of the Sanger Subdivision. All of these properties are zoned Single-Family 7 (SF-7) District. East of this is Throckmorton Street, which is classified as a R2 (i.e. residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

### **CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES**

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as “(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out.” An *established subdivision* is further defined in Subsection 02.03(B) (11) of Article 04, *Permissible Uses*, of the UDC as “...a subdivision that consists of five (5) or more lots, that is 90% developed, and that has been in existence for more than ten (10) years.” In this case, the subject property is located within the Sanger Subdivision, which has been in existence since May 11, 1895, consists of 90 residential lots, and is more than 90.00% developed. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an Established Subdivision* in all single-family zoning districts, the Two-Family (2F) District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being within an established subdivision, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, “...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [i.e. *Residential Infill in or Adjacent to an Established Subdivision*] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ...” The

following is a summary of observations concerning the housing on or within close proximity of Sam Houston Street compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on Sam Houston, E. Bourn, and E. Ross Street	Proposed Housing
Building Height	One (1) Story	One (1) Story
Building Orientation	All of the homes are oriented toward the street they are built along.	The front elevation of the home will face onto Sam Houston Street
Year Built	1920-2015	N/A
Building SF on Property	1200 SF – 3,578 SF	1,997 SF
Building Architecture	Single Family Homes, One (1) House of Worship, One (1) Duplex	Comparable to the surrounding Single-Family Homes
Building Setbacks:		
Front	20-Feet	20-Feet
Side	6- feet.	6- Feet
Rear	10- Feet.	X>10-Feet
Building Materials	Brick, Siding, Stone	Siding
Paint and Color	White, Red, Brown, Gray	White
Roofs	Composite and Asphalt Shingles	Composite Shingle and Metal
Driveways/Garages	Driveways all front the same street the single-family home faces. Homes consist of front-facing garages or no garages.	The garage will be front facing towards Sam Houston Street and will be located 12-feet in front of the front façade of the home.

According to Section 04, *Residential Parking*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), “(i)n single-family or duplex districts, parking garages must be located at least 20-feet behind the front façade for front entry garages, unless it is a j-swing garage where the garage door is perpendicular to the street.” In this case, the applicant’s proposed garage is a front-facing garage and does not meet the requirements as stated in the Unified Development Code (UDC). Specifically, the garage will be oriented towards Sam Houston Street and will be located 12-feet in front of the front façade of the home. Staff should note that this garage configuration is not atypical in the Southside Neighborhood.

For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the subject property, staff has provided photos of the properties along Sam Houston Street along with the proposed building elevations in the attached packet. Staff should note that the proposed home is architecturally similar to other newer homes in the surrounding area and does not appear to negatively impact the existing subdivision; however, the approval of a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

**NOTIFICATIONS**

On June 18, 2025, staff mailed 112 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Highridge Estates Homeowners Association (HOA), which is the only homeowners association or neighborhood organization within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received one (1) notice back in opposition of the applicant’s request.

**CONDITIONS OF APPROVAL**

If City Council chooses to approve of the applicant’s request for a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) Development of the *Subject Property* shall generally conform to the *Residential Plot Plan* as depicted in *Exhibit ‘B’* of the draft ordinance.

- (b) Construction of a single-family home on the *Subject Property* shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of the draft ordinance;
  - (c) The subject property will have to be replatted prior to the issuance of a Building Permit; and,
  - (d) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

### **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 7-0.

**APPLICANT:** Javier Silva; *JMS Custom Homes*

**CASE NUMBER:** Z2025-037; *Specific Use Permit (SUP) for a Residential Infill in an Established Subdivision for 805 Sam Houston Street*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Javier Silva of JMS Custom Homes, LLC for the approval of a Specific Use Permit (SUP) for Residential Infill in an Established Subdivision for the purpose of constructing a single-family home on a ~0.115-acre tract of land identified as a portion of Lot W, Block J, Sanger Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 7 (SF-7) District, situated within the Southside Residential Neighborhood Overlay (SRO) District, addressed as 805 Sam Houston Street, and take any action necessary.

### BACKGROUND

The subject property was originally platted as Lot 2, Block J, Sanger Addition on May 11, 1895. According to the 1934 Sanborn Maps, there was a dwelling unit on the subject property; however, there is no record of when the structure was demolished and the property has remained vacant since its removal. Per the City's historic zoning maps, the subject property was zoned Single-Family 3 (SF-3) District as of January 3, 1972. Between January 3, 1972 and May 16, 1983, the subject property was rezoned to a Single-Family 7 (SF-7) District and has remained zoned Single-Family 7 (SF-7) District to this day.

### PURPOSE

The applicant -- *Javier Silva* -- is requesting the approval of a Specific Use Permit (SUP) for the purpose of constructing a single-family home on the subject property in accordance with Subsection 02.03(B)(11), *Residential Infill in or Adjacent to an Established Subdivision*, of Article 04, *Permissible Uses*, of the Unified Development Code (UDC).

### ADJACENT LAND USES AND ACCESS

The subject property is addressed as 805 Sam Houston Street. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property are two (2) parcels of land (*i.e.* 302 & 304 E. Ross Street) developed with single-family homes. Beyond this is E. Ross Street, which is identified as a R2 (*i.e.* residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. North of this are various parcels of land that are a part of the Sanger Subdivision, which consists of 90 residential lots and has been in existence since May 11, 1895.

South: Directly south of the subject property is a duplex (*i.e.* 807 and 809 Sam Houston) which is owned by the U.S. Housing Authority. Beyond this is a Church/House of Worship (*i.e.* New Caledonia Baptist Church; 301 E. Bourn Street) that is zoned Single-Family 7 (SF-7) District. Both of these lots are zoned Single-Family 7 (SF-7) District. South of this is E. Bourn Street, which is identified as a R2 (*i.e.* residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

East: Directly east of the subject property is a vacant parcel of land (*i.e.* Lot E, Block J, Sanger Addition) zoned Single-Family 7 (SF-7) District. Beyond this is Davy Crockett Street, which is identified as a R2 (*i.e.* residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

Comprehensive Plan. East of this is one (1) lot (i.e. 801 Davy Crockett) which is owned by the City of Rockwall and is developed with a swimming pool and a vacant parcel of land (i.e. Lots 2B & 1C, Block H, Sanger Addition). Both of these lots are zoned Multi-Family 14 (MF-14) District.

West: Directly west of the subject property is Sam Houston Street, which is classified as a R2 (i.e. residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this are various parcels of land developed with single-family homes that make-up part of the Sanger Subdivision. All of these properties are zoned Single-Family 7 (SF-7) District. East of this is Throckmorton Street, which is classified as a R2 (i.e. residential, two [2] lane, undivided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

### **CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES**

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as "(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out." An *established subdivision* is further defined in Subsection 02.03(B) (11) of Article 04, *Permissible Uses*, of the UDC as "...a subdivision that consists of five (5) or more lots, that is 90% developed, and that has been in existence for more than ten (10) years." In this case, the subject property is located within the Sanger Subdivision, which has been in existence since May 11, 1895, consists of 90 residential lots, and is more than 90.00% developed. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an Established Subdivision* in all single-family zoning districts, the Two-Family (2F) District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being within an established subdivision, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, "...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [i.e. *Residential Infill in or Adjacent to an Established Subdivision*] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ..." The

following is a summary of observations concerning the housing on or within close proximity of Sam Houston Street compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on Sam Houston, E. Bourn, and E. Ross Street	Proposed Housing
Building Height	One (1) Story	Two (2) Story
Building Orientation	All of the homes are oriented toward the street they are built along.	The front elevation of the home will face onto Sam Houston Street
Year Built	1920-2015	N/A
Building SF on Property	1200 SF – 3,578 SF	2,673 SF
Building Architecture	Single Family Homes, One (1) House of Worship, One (1) Duplex	Comparable to the surrounding Single-Family Homes
Building Setbacks:		
Front	20-Feet	20-Feet
Side	6- feet.	6- Feet
Rear	10- Feet.	10-Feet
Building Materials	Brick, Siding, Stone	Siding
Paint and Color	White, Red, Brown, Gray	White
Roofs	Composite and Asphalt Shingles	Composite Shingle and Metal
Driveways/Garages	Driveways all front the same street the single-family home faces. Homes consist of front-facing garages or no garages.	The garage will be front facing towards Sam Houston Street and will be located 15-feet, 1 ½-inch in front of the front façade of the home.

According to Section 04, *Residential Parking*, of Article 06, *Parking and Loading*, of the Unified Development Code (UDC), “(i)n single-family or duplex districts, parking garages must be located at least 20-feet behind the front façade for front entry garages, unless it is a j-swing garage where the garage door is perpendicular to the street.” In this case, the applicant’s proposed garage is a front-facing garage and does not meet the requirements as stated in the Unified Development Code (UDC). Specifically, the garage will be oriented towards Sam Houston Street and will be located 15-feet, 1½-inch in front of the front façade of the home. Staff should note that this garage configuration is not atypical in the Southside Neighborhood.

For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the subject property, staff has provided photos of the properties along Sam Houston Street along with the proposed building elevations in the attached packet. Staff should note that the proposed home is architecturally similar to other newer homes in the surrounding area and does not appear to negatively impact the existing subdivision; however, the approval of a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

**NOTIFICATIONS**

On June 18, 2025, staff mailed 107 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Highridge Estates Homeowners Association (HOA), which is the only homeowners association or neighborhood organization within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had received one (1) notice back in opposition of the applicant’s request.

**CONDITIONS OF APPROVAL**

If City Council chooses to approve of the applicant’s request for a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) Development of the *Subject Property* shall generally conform to the *Residential Plot Plan* as depicted in *Exhibit ‘B’* of the draft ordinance.

- (b) Construction of a single-family home on the *Subject Property* shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of the draft ordinance;
  - (c) The subject property will have to be replatted prior to the issuance of a Building Permit; and,
  - (d) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

### **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 7-0.

---

**TO:** Mayor and City Council  
**DATE:** July 21, 2025  
**APPLICANT:** Jerret R. Smith  
**CASE NUMBER:** Z2025-038; *Specific Use Permit (SUP) for a Residential Infill at 704 S. Alamo Road*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Jerret R. Smith for the approval of a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision* on a 0.1960-acre parcel of land identified as Lot 2, Block A, Highridge Addition, City of Rockwall, Rockwall County, Texas, zoned Single-Family 10 (SF-10) District, and addressed as 704 S. Alamo Road, and take any action necessary.

### BACKGROUND

The subject property was annexed into the City of Rockwall on June 20, 1959 by *Ordinance No. 59-02 [Case No. A1959-002]*. According to the January 3, 1972 *Historic Zoning Maps*, the subject property was zoned Single-Family 2 (SF-2) District. Sometime between January 3, 1972 and May 16, 1983, the subject property was rezoned to Single-Family 10 (SF-10) District, and has remained zoned Single-Family 10 (SF-10) District since this change. The subject property has remained vacant since its annexation. On December 10, 2024, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 6-0; however, on December 16, 2024, the City Council approved a motion to deny the Specific Use Permit (SUP) by a vote of 6-0. The stated reason for the denial was due to the applicant not being present at the meeting. On March 25, 2025, the Planning and Zoning Commission approved a motion by a vote of 7-0, permitting the applicant to resubmit the original request prior to the standard one (1) year waiting period. On April 17, 2025, the applicant resubmitted the application for the Specific Use Permit (SUP) for Residential Infill in an Established Subdivision. On May 13, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 4-0, with Commissioners Thompson and Hustings absent and one (1) vacant seat; however, on May 19, 2025, the City Council approved a motion to deny the Specific Use Permit (SUP) by a vote of 7-0. As with the first request, the stated reason for the denial was due to the applicant not being present at the meeting. Since the motion to deny passed without an indication of prejudice, the motion was once again considered to be a denial with prejudice. On June 3, 2025, the applicant submitted a letter to the Director of Planning and Zoning requesting to again resubmit an application stating that they "...sincerely apologize for missing the last meeting due to a scheduling conflict ... [and] that a representative or the applicant will be present at all meetings." On June 10, 2025, the Planning and Zoning Commission again approved a motion by a vote of 5-0, with Commissioner Womble absent and one (1) vacant seat, permitting the applicant to resubmit the original request prior to the standard one (1) year waiting period.

### PURPOSE

The applicant -- *Jerret R. **CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY’S CODES**

Article 13, *Definitions*, of the Unified Development Code (UDC) defines *Residential Infill in or Adjacent to an Established Subdivision* as “(t)he new development of a single-family home or duplex on an existing vacant or undeveloped parcel of land or the redevelopment of a developed parcel of land for a new single-family home or duplex within an established subdivision that is mostly or entirely built-out.” An *established subdivision* is further defined in Subsection 02.03(B) (11) of Article 04, *Permissible Uses*, of the UDC as “...a subdivision that consists of five (5) or more lots, that is 90.00% developed, and that has been in existence for more than ten (10) years.” In this case, the subject property is situated within the Highridge Subdivision, which is 98.00% developed, consists of 97 residential lots, and has been in existence since June 1, 1972. The *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the UDC, requires a Specific Use Permit (SUP) for *Residential Infill in or Adjacent to an Established Subdivision* in all single-family zoning districts, the Two-Family (2F) District, the Downtown (DT) District, and the Residential-Office (RO) District. This property, being within an established subdivision, requires a Specific Use Permit (SUP).

In addition, Subsection 02.03(B)(11) of Article 04, *Permissible Uses*, of the UDC states that, “...the Planning and Zoning Commission and City Council shall consider the proposed size, location, and architecture of the home compared to the existing housing ... [and] (a)ll housing proposed under this section [i.e. *Residential Infill in or Adjacent to an Established Subdivision*] shall be constructed to be architecturally and visually similar or complimentary to the existing housing ...” The following is a summary of observations concerning the housing along Forest Trace and S. Alamo Road compared to the house proposed by the applicant:

Housing Design and Characteristics	Existing Housing on S. Alamo Road and in Close Proximity to the Subject Property	Proposed Housing
Building Height	One (1) and Two (2) Story	Two (2) Story
Building Orientation	The homes along S. Alamo face onto S. Alamo Road.	The front elevation of the home will face S. Alamo Road.
Year Built	1978- 2015	N/A
Building SF on Property	2,126 SF – 4,957 SF	5,059 SF
Building Architecture	Single Family Homes and Four (4) Vacant Lots	Comparable Architecture to the surrounding Single-Family Homes
Building Setbacks:		
Front	20-Feet	25-Feet
Side	6-Feet	6-Feet
Rear	10-Feet	X>10-Feet
Building Materials	Brick, Siding, Stone and Stucco	Board and Batten Siding
Paint and Color	Brown, Red, White, Orange	N/A
Roofs	Composite Shingles	Board and Batten
Driveways/Garages	Driveways all front the same street the single-family home faces. Homes consist of rear entry garages or no garages.	The proposed home will incorporate a j-swing garage.

Staff should note that the proposed single-family home meets all of the density and dimensional requirements for the Single Family 10 (SF-10) District as stipulated by the Unified Development Code (UDC). For the purpose of comparing the proposed home to the existing single-family housing located adjacent to or in the vicinity of the subject property, staff has provided photos of the properties along S. Alamo Road and Forest Trace and also provided the proposed building elevations in the attached packet. The approval of this request is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission and a finding that the proposed house will not have a negative impact on the existing subdivision.

**NOTIFICATIONS**

On June 18, 2025, staff mailed 66 notices to property owners and occupants within 500-feet of the subject property. Staff also notified the Stonebridge Meadows, Bent Creek Condos, and Highridge Estates Homeowners Associations (HOAs), which are the only HOAs within 1,500-feet of the subject property participating in the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by

the Unified Development Code (UDC). At the time this report was drafted, staff had not received any notices back regarding the applicant's request.

### **CONDITIONS OF APPROVAL**

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) for *Residential Infill in an Established Subdivision*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) Development of the *Subject Property* shall generally conform to the *Residential Plot Plan* as depicted in *Exhibit 'B'* of the draft ordinance.
  - (b) Construction of a single-family home on the *Subject Property* shall generally conform to the *Building Elevations* depicted in *Exhibit 'C'* of the draft ordinance; and,
  - (c) Once construction of the single-family home has been completed, inspected, and accepted by the City, the Specific Use Permit (SUP) shall expire, and no further action by the property owner shall be required.
- (2) Any construction resulting from the approval of this Specific Use Permit (SUP) shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

### **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the Specific Use Permit (SUP) by a vote of 7-0.

**TO:** Mayor and City Council

**DATE:** July 21, 2025

**APPLICANT:** Dylan Adame, PE; *Kimley Horn & Associates*

**CASE NUMBER:** Z2025-040; *Zoning Change (AG to LI)*

### SUMMARY

Hold a public hearing to discuss and consider a request by Dylan Adame, PE of Kimley Horn & Associates on behalf of Clay Collier of James Collier Properties, Inc. for the approval of a Zoning Change from Agricultural (AG) District to Light Industrial (LI) District for an 80.50-acre tract of land identified as Tract 2-2, 2-5, 2-8, 2-9, & 20 of the D. Harr Survey, Abstract No. 102 and Lot 1, Block A, Rockwall Commercial Addition, City of Rockwall, Rockwall County, Texas, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District and the FM-549 Overlay (FM-549 OV) District, zoned Agricultural (AG) District, generally located on the northside of Justin Road in between John King Boulevard and FM-3549, and take any action necessary.

### BACKGROUND

The subject property was annexed by the City Council on March 16, 1998 by *Ordinance No. 98-10 [Case No. A1998-001]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. According to the April 5, 2005 zoning map, at some point between the time of annexation and April 5, 2005, a 10.00-acre tract of land (*i.e. part of Lot 1, Block A, Rockwall Commercial Addition*) -- of the larger 80.50-acre subject property -- was zoned from Agricultural (AG) to Light Industrial (LI) District. On February 19, 2019, the City Council approved a zoning change [*Case No. Z2018-056*] for a 6.03-acre tract of land (*i.e. Tract 2-4 of the D. Harr Survey, Abstract No. 102*) -- of the larger 80.50 subject property -- from Agricultural (AG) to Light Industrial (LI) District. On August 13, 2019, the Planning and Zoning Commission approved a site plan [*Case No. SP2019-024*] for a *Church/House of Worship* on the 6.03-acre tract of land (*i.e. Tract 2-4 of the D. Harr Survey, Abstract No. 102*) within the subject property. On January 6, 2020, the City Council, approved a final plat [*Case No. P2019-048*] for a 36.56-acre parcel of land (*i.e. Lot 1, Block A, Rockwall Commercial Addition*) within the subject property. The remainder of the subject property has remained zoned Agricultural (AG) District since annexation.

### PURPOSE

On June 13, 2025, the applicant -- *Dylan Adame, PE of Kimley Horn & Associates* -- submitted an application requesting to change the zoning of the subject property from an Agricultural (AG) District to a Light Industrial (LI) District.

### ADJACENT LAND USES AND ACCESS

The subject property is generally located on the northside of Justin Road in between John King Boulevard and FM-3549. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is a 100' right-of-way owned by the *Union Pacific/Dallas Garland NE Railroad*. Beyond this are several tracts of land, four (4) of which are zoned Light Industrial (LI) District, one (1) is zoned Single Family Estate 1.5 (SFE-1.5), and the remaining tracts are zoned Agricultural (AG) District. Following this is Airport Road, which is identified as a M4U (*i.e. major collector, four [4] lane, undivided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

South: Directly south of the subject property is Justin Road, which is identified as a A4D (*i.e. arterial, four [4] lane, divided roadway*) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this are several tracts of land, three (3) are developed with non-residential land uses (*i.e. Office*

Building, Flex Office Building, and a Pawn Shop), and the remaining tracts are vacant. These properties make up all of the frontage onto IH-30 between John King Boulevard and FM-3549. Following this is the westbound *Frontage Road* for IH-30, followed by the main lanes of IH-30, and the eastbound *Frontage Road* for IH-30.

East: Directly east of the subject property is FM-3549, which is identified as a A4D (i.e. arterial, four [4] lane, divided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is the corporate limits for the City of Rockwall.

West: Directly west of the subject property is John King Boulevard, which is identified as a P6D (i.e. principal arterial, six [6] lane, divided roadway) on the City's Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is 18.7620-acre parcel of land (i.e. Lot 3, Block A, Channell Subdivision) developed with two (2) large industrial buildings (i.e. Channell) that are zoned Planned Development District 89 (PD-89) for Light Industrial (LI) District land uses. Following this is an 11.344-acre parcel of land (i.e. Rockwall Industrial East Addition) developed with a large industrial building (i.e. Graham Packaging) that is zoned Light Industrial (LI) District.

MAP 1: LOCATION MAP  
**YELLOW:** SUBJECT PROPERTY

**CONFORMANCE TO THE CITY'S CODES**

According to Subsection 05.02, *Light Industrial (LI) District*, of Article 05, *District Development Standards*, of the Unified Development Code (UDC), "(t)he Light Industrial (LI) District is a zoning district intended to create a limited industrial zone that provides for modern types of industrial land uses. With the exception of hazardous materials/manufacturing, this zone allows the same uses as the Heavy Industrial (HI) District. Limitations have been placed on the uses in this district to significantly restrict outside activities and the storage of materials, noise, vibration, smoke, pollution, fire and explosive hazards, glare and any other potentially adverse externalities. The Light Industrial (LI) District is intended for industrial parks and larger, cleaner types of industries." In this case, the applicant has stated that the request to rezone subject property is to facilitate the future construction of a corporate headquarters/manufacturing facility. According to Article 05, *District Development Standards*, of the Unified Development Code (UDC), the following is a summary of the density and dimensional requirements of the Light Industrial (LI) District:

TABLE 1: LIGHT INDUSTRIAL (LI) DISTRICT STANDARDS

MINIMUM LOT AREA	12,500 SF
------------------	-----------

MINIMUM LOT WIDTH	100'
MINIMUM LOT DEPTH	125'
MINIMUM FRONT YARD SETBACK <sup>(1)</sup>	25'
MINIMUM SIDE YARD SETBACK <sup>(2)</sup>	10'
MINIMUM REAR YARD SETBACK <sup>(2)</sup>	15'
MINIMUM BETWEEN BUILDINGS <sup>(2)</sup>	20'
MAXIMUM BUILDING HEIGHT <sup>(3)</sup>	60'
MAXIMUM LOT COVERAGE	60.00%
MINIMUM LANDSCAPING	15.00%

**GENERAL NOTES:**

- 1: FROM FUTURE RIGHT-OF-WAY AS SHOWN ON THE ADOPTED MASTER THOROUGHFARE PLAN OR AS ACTUALLY EXISTS, WHICHEVER IS GREATER.
- 2: NOT TO EXCEED 50-FEET.
- 3: BUILDING HEIGHT MAY BE INCREASED UP TO 120-FEET IF APPROVED THROUGH A SPECIFIC USE PERMIT (SUP) BY THE PLANNING AND ZONING COMMISSION AND CITY COUNCIL.

If this zoning change is approved and when the subject property is developed, the development will be required to conform to all the requirements of the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, and any other applicable local, state or federal requirements.

**CONFORMANCE WITH OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN**

According to the Future Land Use Plan contained in the OURHometown Vision 2040 Comprehensive Plan, the subject property is located within the *Central District* and is designated for *Technology/Employment Center (TEC)* land uses. Specifically, this plan designates the subject property as *Industrial/Special Commercial Corridor Opportunity Area*. According to the *District Strategies* the *Central District* contains "...key vacant and underutilized tracts of land that are anticipated to shape the area moving forward." In addition, the *District Strategies* identify "(t)he area south of the railroad tracks ... represents an opportunity area in the City of Rockwall. Due to its adjacency to the railroad tracks, the land is naturally suitable for *Technology/Industrial* land uses; however, due to the land's adjacency to strategically located parcels along IH-30 the land could be utilized as part of a larger development in the *Special Commercial Corridor*." In this case, the applicant is requesting to change the zoning to a Light Industrial (LI) District. If this zoning change is approved, the applicants' proposed request would not require any changes the *Future Land Use Map*; however, if the request is approved, the zoning change would limit the subject property from developing as part of the *Special Commercial Corridor*. This aspect of the proposed zoning change is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

**INFRASTRUCTURE**

Based on the proposed request, the Engineering Department will provide additional comments at the time of site plan if the zoning change is approved; however, an *Infrastructure Study* may be required depending on the land uses proposed. In addition, portions of the subject property will require the full width of Justin Road to be constructed where it transitions into John King Boulevard and the existing portion of Justin Road. The remaining portions of Justin Road -- *to be located along the southern property of the subject property* -- will require half the roadway (*i.e. a minimum of 24-feet face-to-face*) to be constructed. All water and sewer infrastructure must be installed per the Master Water and Sewer Plan, and detention shall be required.

**STAFF ANALYSIS**

The proposed zoning change is consistent with the Unified Development Code (UDC), and conforms to the OURHometown Vision 2040 Comprehensive Plan; however, since the subject property has the flexibility of being either *Technology/Employment* or *Special Commercial Corridor*, the applicant's proposed request is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

**NOTIFICATIONS**

On June 30, 2025, staff mailed 36 notices to property owners and occupants within 500-feet of the subject property. There are no Homeowner's Associations (HOAs) or Neighborhood Organizations within 1,500-feet of the subject property participating in

the Neighborhood Notification Program. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had not received any returned notices with regard to the applicant's request.

### **CONDITIONS OF APPROVAL**

If the City Council chooses to approve the applicant's request to rezone the subject property from an Agricultural (AG) District to a Light Industrial (LI) District, then staff would propose the following conditions of approval:

- (1) Any construction resulting from the approval of this Zoning Change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

### **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the zoning change by a vote of 7-0.

**RE: Letter of Intent  
Colmet Industrial  
Rockwall, Texas**

Dear Ryan:

In accordance with the guidelines provided in the City's Development Application Packet, Kimley-Horn is submitting this Letter of Intent to rezone property owned by James Collier Properties Inc. in the municipal limits of Rockwall, Texas.

The intent of the Light Industrial District Zoning is generally described as follows:

- Rezone the Agriculture (AG) zoned tracts to Light Industrial (LI) use within the subject property as depicted on the included Rezoning Exhibit; intended to enhance the developability of land consistent with the owner's manufacturing needs.

We look forward to navigating the City's process in close coordination with City Staff, Planning and Zoning Commission, and City Council. We are hopeful that our submittal will allow us to be placed on the July 15, 2025 P&Z hearing and of July 21, 2025 City Council hearing. Please reach out with any questions or concerns regarding our application, and send along comments once available.

Please contact me at [REDACTED] or [REDACTED] should you need any further information.

Sincerely,

Dylan Adame, P.E.

# 01 CENTRAL DISTRICT

## DISTRICT STRATEGIES

### DISTRICT DESCRIPTION

The *Central District* is composed of a wide range of land uses that vary from single-family to industrial. The district's residential areas consist of suburban residential (e.g. *Park Place*), estate and rural residential (e.g. *Rolling Meadows Subdivision*), and higher density residential developments (e.g. *Evergreen Senior Living*). The *Central District* also incorporates a high volume of industrial land uses adjacent to the *Union Pacific/Dallas Garland and Northeastern Rail Road* line that bisects the district -- and *City* -- in an east/west direction. The *Ralph Hall Municipal Airport* and several other large public/school facilities are also located within the boundaries of this district.

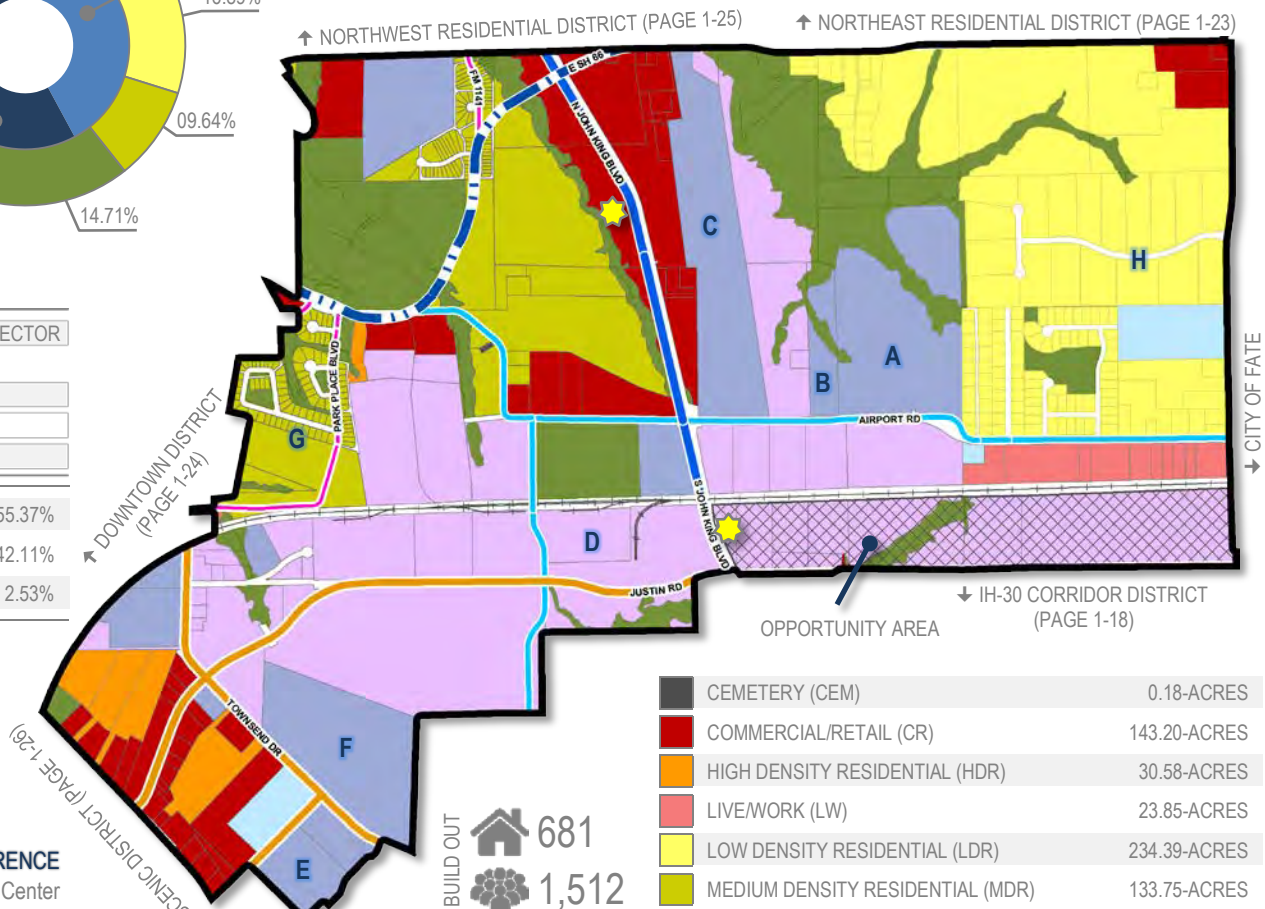

The *Central District* still has some key vacant and underutilized tracts of land that are anticipated to shape the area moving forward. Taking these areas into consideration the following are the strategies for this district:

- 1 Live/Work.** The live/work designation in this district is intended to provide flexibility for land owners, adjacent to the railroad tracks, to transition their properties -- *when appropriate* -- to low intensity office/retail land uses that are similar in scale and scope to the adjacent residential properties.
- 2 Suburban Residential.** While many of the larger tracts in this area are not large enough to support a master planned community (*which is characteristic of Northern Estates and Northwest Residential Districts*), any new *Suburban Residential* developments should include a mix of larger to mid-sized lots. Lots in these developments should *not* be smaller than existing *Suburban Residential* lots in this district, but should be comparable in size to newer developments (*i.e. Ridgecrest Subdivision*). In addition, newer subdivisions adjacent to existing larger lot subdivisions should provide a transition (*e.g. larger lots or a large landscape buffer*) adjacent to the existing subdivision.
- 3 Commercial/Retail Centers.** The commercial/retail centers in this district are intended to support existing and proposed residential developments, and should be compatible in scale with adjacent residential structures (*i.e. are more characteristic of neighborhood/convenience centers*); however, areas adjacent to John King Boulevard should be capable of accommodating mid to large-scale commercial users. All commercial developments should incorporate appropriate screening (*e.g. berms, landscaping and large buffers*) to transition uses.
- 4 Industrial/Special Commercial Corridor Opportunity Area.** The area south of the railroad tracks that is indicated by a crosshatched pattern represents an opportunity area in the City of Rockwall. Due to its adjacency to the railroad tracks, the land is naturally suitable for *Technology/Industrial* land uses; however, due to the land's adjacency to strategically located parcels along IH-30 the land could be utilized as part of a larger development in the *Special Commercial Corridor*.
- 5 John King Boulevard Trail Plan.** A ten (10) foot hike/bike trail should be incorporated along John King Boulevard with rest stops and signage as indicated in *Appendix 'B'* of this Comprehensive Plan.

## TECHNOLOGY/EMPLOYMENT CENTERS (TEC)

The *Technology/Employment Centers* land use category is characterized by employment-oriented businesses, which are generally situated in larger centers (e.g. *Rockwall Technology Park*) with access to key transportation networks. These uses should utilize large setbacks, campus style green spaces and large berms/buffers to shrink the scale of the buildings and provide park-like amenities that are complementary to the City's other land use districts. Generally, these areas should not be directly adjacent to Low or Medium Density Residential land use designations and should be buffered from low-density single-family subdivisions utilizing transitional land uses.

### DESIGNATION CHARACTERISTICS

- 1 Primary Land Uses: Clean Manufacturing Centers, Technology/Data Centers, Research and Design/Development Businesses, General Office Land Uses, Flexible Space (i.e. Office/Warehouse Combinations Land Uses), and Light Assembly Businesses
- 2 Secondary Land Uses: Parks, Open Space, Civic/Institutional and Certain Complementary Commercial Land Uses (e.g. Office/Showroom)
- 3 Zoning Districts: Light Industrial (LI) District and Planned Development (PD) Districts

### EXISTING LAND USE EXAMPLES

- 1 Rockwall Technology Park
- 2 Channell Commercial Corporation

## SPECIAL DISTRICTS

### LIVE/WORK (LW)

The *Live/Work* land use designation is characterized by the reuse of single-family properties as low-intensity office or retail land uses. These areas are considered to be transitional and require added flexibility for the purpose of maintaining a specific small town aesthetic along major roadways. These areas are used to buffer residential areas from major roadways or more intense commercial land uses. This designation also allows live/work arrangements where a single-family structure may continue to serve as residence, while also supporting a low-intensity office or retail store.

### DESIGNATION CHARACTERISTICS

- 1 Primary Land Uses: Professional Offices, Boutiques, Art/Music Studios, and Antique and Collectable Shops.
- 2 Secondary Land Uses: Banquet Facilities, Small Restaurants, Veterinarian Clinics for Small Animals, and Open Space
- 3 Zoning Districts: Residential-Office (RO) District and Planned Development (PD) Districts

### EXISTING LAND USE EXAMPLES

- 1 N. Goliad Street Between East Fork Road and the Downtown
- 2 West Side of Ridge Road after the SH-205/Ridge Road Split
- 3 N. Goliad Street Across from the YMCA

### MIXED-USE (MU)

The *Mixed-Use* land use designation is characterized by mixed-use developments that typically offer a mix of housing types and residential densities with integrated retail, personal services and/or office. These areas can be both vertically and horizontally integrated with a mix of land uses, and are generally designed as walkable/pedestrian friendly developments. The residential component can include single-family homes, townhouses, condominiums, urban housing, lofts, or multi-family. Vertically integrated mixed-use developments typically incorporate structured parking at the center of the block, recreational and pedestrian amenities and have ground floor commercial/retail, office or personal services.

### DESIGNATION CHARACTERISTICS

- 1 Primary Land Uses: Retail, Office, Restaurant and Residential Land Uses
- 2 Secondary Land Uses: Parks, Open Space, Trails, and Institutional/Civic Land Uses
- 3 Zoning Districts: Downtown (DT) District and Planned Development (PD) Districts

### EXISTING LAND USE EXAMPLES

- 1 Rockwall Commons
- 2 Harbor District

### DOWNTOWN (DT)

The *Downtown* land use designation should include a mixture of land uses that are complementary to the existing development pattern and are intended to add to the attractive, pedestrian-oriented environment of Rockwall's historic downtown. In addition, this area is the historic core of the City and should continue to be a symbol of community life in Rockwall. The policies adopted in Appendix 'C', *Small Area Plans*, of this Comprehensive Plan should generally regulate this land use designation.

**DESIGNATION CHARACTERISTICS**

- 1 Primary Land Uses: Retail, Office, Restaurant and Residential Land Uses
- 2 Secondary Land Uses: Institutional/Civic Land Uses
- 3 Zoning Districts: Downtown (DT) District

**EXISTING LAND USE EXAMPLES**

- 1 Downtown Square and Surrounding Areas

**SPECIAL COMMERCIAL CORRIDOR (SC)**

The *Special Commercial Corridor* land use designation is intended to provide an area for commercial/retail and regional commercial/retail activity centers that are intended to support and serve the entire region. This area should include the recommendations contained in Appendix 'B', *Corridor Plans*, of this Comprehensive Plan.

**DESIGNATION CHARACTERISTICS**

- 1 Primary Land Uses: Regional Shopping Centers, Entertainment, Retail, Personal Services, Restaurant, Corporate Offices, Employment and Recreation Land Uses
- 2 Secondary Land Uses: Residential, Open Space, Parks, Trails, Banks, Service Stations and Institutional/Civic Land Uses (Secondary Land Uses should be integrated into a Larger Development)
- 3 Zoning Districts: Commercial (C) District and Planned Development (PD) District

**EXISTING LAND USE EXAMPLES**

- 1 IH-30 Corridor

**PUBLIC LAND AND OPEN SPACE**

**PARKS AND OPEN SPACE (OS)**

The *Parks and Open Space* land use designation includes all floodplains and major public open spaces (e.g. neighborhood parks, community parks, greenbelts, trail systems, etc.). These areas should be preserved and are intended to provide citywide recreation/trail opportunities and natural drainage areas that help define the character of Rockwall.

**DESIGNATION CHARACTERISTICS**

- 1 Primary Land Uses: Floodplain, Open Space, Parks, and Trails Land Uses
- 2 Secondary Land Uses: N/A
- 3 Zoning Districts: N/A

**EXISTING LAND USE EXAMPLES**

- 1 Harry Myers Park

**PUBLIC (P)**

The *Public* land use designation includes uses that are operated exclusively by a public body that serve the public's health, safety or general welfare. This land use designation includes land uses such as public schools, libraries, the airport, the City's administrative and service facilities, and any other state or federal facilities.

**DESIGNATION CHARACTERISTICS**

- 1 Primary Land Uses: Schools, Libraries, Fire Stations, Pump Stations, Water Towers, Police Stations, City Administrative Offices, and County, State or Federal Facilities
- 2 Secondary Land Uses: Open Space, Parks, and Trails Land Uses
- 3 Zoning Districts: N/A

**EXISTING LAND USE EXAMPLES**

- 1 City Place
- 2 County Courthouse
- 3 Municipal Courts Building

The exterior of the building will be clad in brick and siding, which match or be complimentary to the materials utilized on the primary structure.

## **CHARACTERISTICS OF THE REQUEST AND CONFORMANCE TO THE CITY'S CODES**

According to Article 13, *Definitions*, of the Unified Development Code (UDC) a *Guest Quarters/Secondary Living Unit* is defined as "(a)n accessory building designed for the temporary occupancy of guests of the primary dwelling for which there is no remuneration and is not rented or otherwise used as separate domicile." According to the *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the Unified Development Code (UDC) a *Guest Quarters/Secondary Living Unit/Accessory Dwelling Unit* requires a Specific Use Permit (SUP) in a Single-Family 7 (SF-7) District and -- according to Subsection 02.03 -- is subject to the following *Conditional Land Use Standards*: [1] the structure must be ancillary to a single-family home, [2] the square footage of the structure shall not exceed 30.00% of the square footage of the primary structure, and [3] the structure may not be sold or conveyed separately from the single-family home without meeting the zoning requirements for the district. In addition to these requirements, a *Guest Quarters/Secondary Living Unit/Accessory Dwelling Unit* is subject to the dimensional requirements contained in Subsection 07.04, *Accessory Structure Development Standards*, of Article 05, *District Development Standards*, and the parking requirements of Article 06, *Parking and Loading*, of the Unified Development Code (UDC).

As stated above, *Guest Quarters/Secondary Living Units* are permitted to be 30.00% of the square footage of the primary structure. In this case, the applicant is permitted a 991.65 SF *Guest Quarters/Secondary Living Unit* (i.e.  $3,305.5 \text{ SF} \times 30.00\% = 991.65 \text{ SF}$ ) based on the operational conditions for a *Guest Quarters/Secondary Living Unit*. With that being said, the applicant is only requesting a 685 SF *Guest Quarters/Secondary Living Unit*, which represents approximately 20.72% of the primary structure. This is approximately 9.28% less than what the Unified Development Code (UDC) allows. Based on this information and the plans submitted by the applicant, the proposed building appears to conform to all of the *Conditional Land Use Standards* for a *Guest Quarters/Secondary Living Unit* as stipulated by the Unified Development Code (UDC). If the applicant's request is approved, staff has included operational conditions in the Specific Use Permit (SUP) ordinance that tie down the size, height, and general architecture of the proposed *Guest Quarters/Secondary Living Unit*.

## **STAFF ANALYSIS**

While the proposed structure complies with all applicable requirements for a *Guest Quarters or Secondary Living Units* within the designated zoning district, staff should note that the structure will remain visible from the public right-of-way due to its proposed location, which is generally located 6'-5" from the front façade of the adjacent single-family home. Furthermore, staff has determined that no comparable structures have been previously authorized within the Lake Rockwall Estates Subdivision. As such, approval of the proposed structure may establish a precedent for future requests in the area. With this being said, the approval of a Specific Use Permit (SUP) request is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

## **NOTIFICATIONS**

On June 18, 2025, staff mailed 85 notices to property owners and occupants within 500-feet of the subject property. There are no Homeowner Associations (HOAs) or Neighborhood Organizations within 1,500-feet of the subject property participating in the Neighborhood Notification Program to notify. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). At the time this report was drafted, staff had not received any notices back regarding the applicant's request.

## **CONDITIONS OF APPROVAL**

If City Council chooses to approve of the applicant's request for a Specific Use Permit (SUP) for a *Guest Quarters/Secondary Living Unit*, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) The development of the *Guest Quarters/Secondary Living Unit* shall generally conform to the Site Plan as depicted in Exhibit 'B' of the draft ordinance.
  - (b) The construction of a *Guest Quarters/Secondary Living Unit* on the *Subject Property* shall generally conform to the Building Elevations depicted in Exhibit 'C' of the draft ordinance.

- (c) The *Guest Quarters/Secondary Living Unit* shall not exceed a maximum of 685 SF.
  - (d) The *Guest Quarters/Secondary Living Unit* shall not incorporate kitchen facilities.
  - (e) The *Guest Quarters/Secondary Living Unit* shall not be sold or conveyed separately from the single-family home without meeting the requirements of the zoning district and subdivision ordinance; and,
  - (f) No additional accessory buildings will be allowed on the subject property.
- (2) Any construction resulting from the approval of this *Specific Use Permit (SUP)* shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

### **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the *Specific Use Permit (SUP)* by a vote of 6-1, with Commissioner Conway dissenting.

**TO:** Mayor and City Council  
**DATE:** July 21, 2025  
**APPLICANT:** Tyler Adams  
**CASE NUMBER:** Z2025-042; *Specific Use Permit (SUP) for Outdoor Commercial Amusement/Recreation*

---

### SUMMARY

Hold a public hearing to discuss and consider a request by Tyler Adams of Greenlight Studio on behalf of Bill Bricker of Rockwall Property Corporation the approval of a Specific Use Permit (SUP) for *Outdoor Commercial Amusement/Recreation* in conjunction with a proposed *Restaurant with Drive-Through or Drive-In* on a 2.50-acre portion of a larger 4.50-acre parcel of land identified as Lot 1, Block A, Boardwalk Development Addition, City of Rockwall, Rockwall County, Texas, situated within the SH-205 By-Pass Overlay (SH-205 BY-OV) District, zoned Planned Development District 71 (PD-71) for limited Commercial (C) District land uses, generally located at the northwest corner of the intersection of Park Hills Boulevard and John King Boulevard, and take any action necessary.

### BACKGROUND

The subject property was annexed by the City Council on March 16, 1998 by *Ordinance No. 98-10 [Case No. A1998-001]*. At the time of annexation, the subject property was zoned Agricultural (AG) District. On June 18, 2007, the City Council approved a zoning change [*Case No. Z2007-011; Ordinance No. 07-19*] that rezoned the property from Agricultural (AG) District to Planned Development District 71 (PD-71) for limited Commercial (C) District land uses. On September 2, 2008, the City Council approved a zoning case [*Case No. Z2008-017; Ordinance No. 08-45*] to expand Planned Development District 71 (PD-71); however, this had no effect on the subject property. The subject property has remained vacant since the time of annexation.

### PURPOSE

The applicant -- *Tyler Adams* -- is requesting the approval of a Specific Use Permit (SUP) to allow *Outdoor Commercial Amusement/Recreation*, specifically pickleball courts, on the west side of the subject property. This is being proposed in conjunction with a future restaurant/office development, which are both permitted *by-right* land uses within Planned Development District 71 (PD-71). The applicant has indicated that a site plan for this development will be submitted pending the approval of this Specific Use Permit (SUP).

### ADJACENT LAND USES AND ACCESS

The subject property is generally located at the northwest corner of the intersection of Park Hills Boulevard and John King Boulevard. The land uses adjacent to the subject property are as follows:

North: Directly north of the subject property is the remainder of the 4.50-acre tract of land (*i.e. Lot 1, Block A, Boardwalk Development Addition*) which the subject property is a part of. North of this is a 24.9036-acre vacant tract of land (*i.e. Lot 1, Abstract No. 183, of the G.W. Redlin Survey*). Both of these properties are zoned Planned Development District 71 (PD-71) for Commercial (C) District land uses. Beyond that is SH-66, which is identified as a *Minor Collector* on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan.

South: Directly south of the subject property is Park Hills Boulevard, which is identified as a R2 (*i.e. residential, two [2] lane, undivided roadway*) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040

Comprehensive Plan. Beyond this is a 3.14-acre vacant parcel of land (i.e. Lot 3, Boardwalk Development Addition), which is zoned Planned Development District 71 (PD-71) for Commercial (C) District land uses. Beyond that is a 1.607-acre vacant tract of land (i.e. Tract 1-4, Abstract No. 20, of the N. Butler Survey) and a 31.393-acre tract of land (Tract 3, Abstract No. 20, of the N. Butler Survey). Both of these properties are zoned Agricultural (AG) District.

**East:** Directly east of the subject property is N. John King Boulevard, which is identified as a P6D (i.e. principal arterial, six [6] lane, divided roadway) on the Master Thoroughfare Plan contained in the OURHometown Vision 2040 Comprehensive Plan. Beyond this is a 96.635-acre tract of land (i.e. Lot 6-1, abstract No. 183, of the G. W. Redlin Survey) that is zoned Planned Development District 71 (PD-71) for Commercial (C) District land uses. Beyond that is a 47.89-acre parcel of land (i.e. Lot 1, Rockwall Municipal Airport), zoned Agricultural (AG) District, and developed with a municipal airport.

**West:** Directly west of the subject property is a 7.0938-acre parcel of land (i.e. Lot 12, Block C, Park Hills Subdivision), which is zoned Planned Development District 98 (PD-98) and used as open space. Beyond this is the remainder of Park Hills Subdivision which is a 65.60-acre subdivision established in November of 2024 that consists of 158 residential lots. This subdivision is currently under development and is zoned Planned Development District 98 (PD-98) for Single-Family 8.4 (SF-8.4) District land uses.

MAP 1: LOCATION MAP  
**YELLOW:** SUBJECT PROPERTY

### **CHARACTERISTICS OF THE REQUEST**

The proposed outdoor recreation facilities (i.e. pickleball courts) are to be situated behind a future *Restaurant with Drive-Through or Drive In* on the west side of the subject property. Currently, a floodplain area -- that serves as open space for the adjacent residential subdivision -- separates the courts from adjacent residential properties that are currently under development west of the subject property. The applicant has provided a concept plan for the recreational amenity that includes the proposed court materials. These have been provided in the attached packet.

## **CONFORMANCE WITH THE CITY'S CODES**

According to Subsection 02.02(E), *Recreation, Entertainment and Amusement Land Uses*, of Article 13, *Definitions*, of the Unified Development Code (UDC), the proposed land use falls under the definition for *Outdoor Commercial Amusement/Recreation*. In addition, according to the *Permissible Use Charts* contained in Article 04, *Permissible Uses*, of the Unified Development Code (UDC), the *Outdoor Commercial Amusement/Recreation* land use requires a Specific Use Permit (SUP) in a Commercial (C) District. The purpose of this requirement is to acknowledge that the *Outdoor Commercial Amusement/Recreation* land use is not appropriate within all of the City's commercial areas, and that the City Council should have discretionary oversight with regard to the establishment of this land use and its potential impacts within the Commercial (C) District.

## **STAFF ANALYSIS**

According to Subsection 02.02, *Specific Use Permits (SUP)*, of Article 11, *Development Applications and Review Procedures*, of the Unified Development Code (UDC), "(t)he purpose of a Specific Use Permit (SUP) is to allow discretionary consideration of certain uses that would typically be considered incompatible within certain locations of a zoning district." In this case, the applicant is requesting to add pickleball courts in conjunction with a proposed *Restaurant with Drive-Through or Drive-In*. Staff should point out that a *Restaurant with Drive-Through or Drive-In* is a permitted *by-right* land use in the Commercial (C) District; however, the pickleball courts or the *Outdoor Commercial Amusement/Recreation* land use requires a Specific Use Permit (SUP) for *Outdoor Commercial Amusement/Recreation*. As mentioned earlier this use requires discretionary consideration as it may not be compatible with certain locations within the Commercial (C) District throughout the City. According to Subsection 02.03, *Conditional Land Use Standards*, of Article 04, *Permissible Uses*, the *Outdoor Commercial Amusement/Recreation* land use has the following conditional land use standards: [1] *Outdoor Commercial Amusement/Recreation* includes uses that provide outdoor entertainment (e.g. *amusement parks, golf courses, outdoor music venues, batting cages, miniature golf etc.*), but excludes drive-in movie theaters, [2] *Outdoor Commercial Amusement/Recreation* includes temporary structures (e.g. *tents, canopies, etc.*) for events; however, temporary in this case does not include structures intended to serve uses for longer than 14-days, and [3] *Outdoor Commercial Amusement/Recreation* shall be a minimum of 300-feet from all residentially zoned or used property unless otherwise approved by the Planning and Zoning Commission and City Council. In this case, the pickleball courts do not meet the 300-foot setback requirement from the Parkhills Subdivision which is west of the subject property; however, staff should point out that the floodplain area in between the future residential properties and the subject property has a thick tree line that provides a natural buffer between the two (2) land uses. This should mitigate any negative externalities (e.g. *visibility, sound, etc.*) from the proposed land use. All that being said, the approval of a Specific Use Permit (SUP) is a discretionary decision for the City Council pending a recommendation from the Planning and Zoning Commission.

## **OURHOMETOWN VISION 2040 COMPREHENSIVE PLAN**

According to the *Land Use Plan* contained in the OURHometown Vision 2040 Comprehensive Plan, the subject property is situated within the Central District. This district is composed of a wide range of land uses that vary from single-family to industrial. The district's residential areas consist of suburban residential (e.g. *Park Place*), estate and rural residential (e.g. *Rolling Meadows Subdivision*), and higher density residential developments (e.g. *Evergreen Senior Living*). The *Central District* also incorporates a high volume of industrial land uses adjacent to the *Union Pacific/Dallas Garland and Northeastern Rail Road* line that bisects the district -- and City -- in an east/west direction. The Ralph Hall Municipal Airport and several other large public/school facilities are also located within the boundaries of this district. The subject property is located within the Commercial/Retail land use designation, which is intended to support existing and proposed residential developments, and should be compatible in scale with adjacent residential structures (i.e. *are more characteristic of neighborhood/convenience centers*); however, areas adjacent to John King Boulevard should be capable of accommodating mid to large-scale commercial users. All commercial developments should incorporate appropriate screening (e.g. *berms, landscaping and large buffers*) to transition uses. In this case, the proposed use will support the existing and proposed residential developments in this area and the floodplain area between the residential and commercial land uses will provide appropriate screening between the two (2) developments. With that being said, since this use is permitted only by Specific Use Permit (SUP), it is at the discretion of the Planning and Zoning Commission and City Council if the proposed *Outdoor Commercial Amusement/Recreation* meets the *District Strategies* outlined within the OURHometown Vision 2040 Comprehensive Plan.

## **NOTIFICATIONS**

On June 18, 2025, staff mailed 50 notices to property owners and occupants within 500-feet of the subject property. Additionally, staff posted a sign on the subject property, and advertised the public hearings in the Rockwall Herald Banner as required by the Unified Development Code (UDC). Staff has received one (1) notice from the property owner in favor of the applicant's request.

## **CONDITIONS OF APPROVAL**

If the City Council chooses to approve the applicant's request for a Specific Use Permit (SUP) for *Outdoor Commercial Amusement/Recreation* within a Commercial (C) District, then staff would propose the following conditions of approval:

- (1) The applicant shall be responsible for maintaining compliance with the operational conditions contained in the Specific Use Permit (SUP) ordinance and which are detailed as follows:
  - (a) The development of the *Subject Property* shall generally conform to the Site Plan as depicted in *Exhibit 'B'* of the SUP ordinance.
  - (b) Screening and buffering shall be provided between the pickleball courts and adjacent residential areas, as depicted in *Exhibit 'B'* of the SUP ordinance.
- (2) Any construction resulting from the approval of this zoning change shall conform to the requirements set forth by the Unified Development Code (UDC), the International Building Code (IBC), the Rockwall Municipal Code of Ordinances, city adopted engineering and fire codes and with all other applicable regulatory requirements administered and/or enforced by the state and federal government.

## **PLANNING AND ZONING COMMISSION**

On July 15, 2025, the Planning and Zoning Commission approved a motion to approve the Specific Use Permit by a vote of 7-0.

**FROM:** Ryan Miller, *Director of Planning and Zoning*  
**DATE:** July 21, 2025  
**SUBJECT:** SP2025-023; *Alternative Tree Mitigation Settlement Agreement for Rayburn Electric Cooperative*

---

The applicant, Frank Polma P.E. of R-Delta Engineering, is requesting the approval of an *Alternative Tree Mitigation Settlement Agreement*. The subject property is an 18.00-acre tract of land identified as a portion of Lots 2, & 3, Block A, REC Campus Addition, which is generally located at the northwest corner of the intersection of S. Goliad Street [SH-205] and Mims Road. This request is being made in conjunction with an approved site plan [Case No. SP2025-023] for a Soccer Complex. On July 15, 2025 the Planning and Zoning Commission approved the site plan and a motion to send a recommendation of approval for the proposed *Alternative Tree Mitigation Settlement Agreement*. This motion carried by a vote of 7-0.

The applicant is requesting an *Alternative Tree Mitigation Settlement Agreement* for the purpose of [1] allowing sample areas to be utilized to calculate tree mitigation, and [2] to not require mitigation for Eastern Red Cedar trees. The applicant is making this request given the dense groves of trees on the subject property. The applicant has indicated to staff that they would rather spend their capital on the Soccer Complex and its amenities, rather than surveying the entire property and providing the required mitigation. Based on the proposed Treescape Plan, the estimated mitigation balance is 2,252 caliper inches or 563 canopy trees. Given the nature of the proposed land use (*i.e. Soccer Complex*) the applicant is limited on how many trees could be replanted on site. If required to settle the mitigation balance in accordance with Section 05, *Tree Mitigation*, of Article 08, *Tree Preservation*, of the Unified Development Code (UDC), the applicant would be required to plant 1,801.60 caliper inches (*i.e. 2,252 caliper inches x 80% = 1,801.6 caliper inches*) or 451 canopy trees and pay \$45,040.00 (*i.e. [2,252 caliper inches x 20%] x \$100.00 = 45,040.00*). With the site constraints it is likely the applicant would need to request an *Alternative Tree Mitigation Settlement Agreement* regardless of the current request. According to Subsection 05(G) of Article 09, *Tree Preservation*, of the Unified Development Code (UDC) "(i)n certain cases, the City Council -- upon recommendation from the Planning and Zoning Commission -- may consider an *Alternative Tree Mitigation Settlement Agreement* where, due to hardship, the applicant is unable to meet the requirements of this Article or where it is determined that adherence to the tree mitigation requirements will create a hardship for an applicant." As stated above, on July 15, 2025, the Planning and Zoning Commission approved a motion to recommend approval of the *Alternative Tree Mitigation Settlement Agreement* by a vote of 7-0. The approval of the applicant's request remains a discretionary decision for the City Council. Should the City Council have any questions concerning the applicant's request, staff will be available at the meeting on July 21, 2025.

**ATTENTION: Mr. Henry Lee, AICP

**SUBJECT: Rayburn Electric Cooperative Campus  
Rayburn Electric Soccer Complex  
Variance Requests**

Dear Mr. Lee,

Pursuant to submittal of the project Site Plan and supporting documents and on behalf of Rayburn Electric Cooperative (REC); we seek approval of the following variance requests to address items not in compliance with the City of Rockwall Unified Development Code (UDC):

- Sidewalk Waiver (Mims Road frontage).
- Waiver of mitigation requirements for Cedar Trees

With regard to the sidewalk waiver, Rayburn requests that the Mims Road frontage sidewalk be deferred and included in the future roadway reconstruction.

The Soccer Complex, proposed and entirely funded by Rayburn Electric Cooperative, will be of great benefit to the citizens of Rockwall. No public funding is proposed for this project. The facility will be available for use by Rockwall youth soccer organizations Rockwall schools, and other local area organizations.

The mitigation waiver for removal of Cedar trees greater than 8-feet in height is requested due to the extremely large (876) number of Canopy Tree plantings that would be required per the current UDC. The previous UDC mitigation requirement for Cedar trees was limited to trees greater than 11-inches DBH. The 8-foot height threshold is a relatively recent (2024) addition to the Rockwall UDC. The project cannot support the expense of Cedar tree mitigation and will not move forward without this waiver.

Proposed compensatory measures include the following:

- Increased articulation on the concession building façade.
- Peaked roof forms and varied heights on the concession building front façade.
- Large canopies on the concession building.
- Rayburn Electric Cooperative's funding of this significant project for public use.

We greatly appreciate your consideration of these variance requests.

Best Regards,

## TREE TRANSPLANTING DAY POLICY

The purpose of the Tree Transplanting Day is to encourage the "... preservation of mature, healthy trees and natural areas, and to ensure the consideration of protected trees during the planning and design process for development and/or redevelopment within the City ..." [Article 09, Tree Preservation, of the Unified Development Code]. A Tree Transplanting Day is intended to encourage developers and property owners to have a day to allow citizens the opportunity to transplant trees that have been identified for removal resulting from a proposed development, prior to beginning construction. The following guidelines have been established for developers and property owners for conducting a Tree Transplanting Day.

- Any large development that requires an approved Treescape Plan from the Planning and Zoning Department of the City of Rockwall shall require a Tree Transplanting Day.
- A Tree Transplanting Day shall be conducted a minimum of 14-days -- or as otherwise approved by the Director of Planning and Zoning -- prior to the beginning of clearing and/or grading the subject property. To request a Tree Transplanting Day please fill out the Request for a Tree Transplanting Day form and provide it to the Planning and Zoning Department a minimum of seven (7) days prior to the date of the proposed Tree Transplanting Day.
- After the Request for a Tree Transplanting Day form has been submitted to the Planning and Zoning Department, the time and date of the Tree Transplanting Day shall be advertised on the City of Rockwall's Planning and Zoning website.
- All trees to be saved according to the approved Treescape Plan for the subject property shall be clearly identified and flagged by the developer or property owner at least two (2) days prior to the Tree Transplanting Day.
- The developer shall have a representative on the subject property during the date and time of the Tree Transplanting Day to answer resident questions and ensure that protected trees -- as depicted on the approved Treescape Plan -- are not removed from the subject property.
- For each tree removed from the subject property during a Tree Transplanting Day, the developer or property owner shall document the size and species of the tree and take a photograph of the tree prior to and after removal. This information can be provided to the Planning and Zoning Department for a credit towards any outstanding tree mitigation balance resulting from the proposed development.
- Residents who wish to claim a free tree should come prepared with any tools and/or equipment that may be needed to dig and transport the tree, or hire a professional to remove, transport, and transplant the tree. All costs associated with transplanting a tree shall be the responsibility of the resident.
- Residents shall be responsible for the removal and replanting of any non-protected trees they wish to relocate. The City of Rockwall and the developer or property owner shall be held harmless for any damage or injury caused from the removal of trees on the subject property.

I AM THE OWNER OR AUTHORIZED REPRESENTATIVE OF THE SUBJECT PROPERTY, AND HAVE READ AND AGREE WITH THE TREE TRANSPLANTING DAY POLICY STATED ABOVE.
